

Cotillion Opens Season At Dance For Teen-Agers

Eccentric Photos by Bill Thom

Cotillion held its opening party Thanksgiving Eve at Bloomfield Open Hunt, with young people from all high schools in the area on hand to dance the evening away, enjoy a midnight supper and applaud a floor show by the Fenby Five. Guiding hand behind this series of five parties, now in their eighth year, is Mrs. Ernst Kern of Bloomfield Hills, assisted by Florence Schoolfield Young. During the Christmas holidays, formality—for the girls—will give way to afternoon frocks for the tea dance to be given Dec. 21.

Bachelor's Ball Voted 'In'

Bachelors and Spinsters (college age only) who attended the Christmas Ball of 1962 voted an enthusiastic "yes" on a repeat performance this year, party to take place Saturday, Dec. 21, at Orchard Lake Country Club.

Bachelors will again be assigned as escorts, to and from the ball, to the ladies of the Spinster membership, this approach successful last year in expediting transportation and in stimulating new acquaintanceship.

Members of the club, hence, applications received as of right NOW will be accorded priority. It's to be black tie for the men, incidentally, or a dark suit.

Feminine contingent will receive cards designating their escorts, those gentlemen assigned as drivers, to be notified. Those who aren't will simply go stag.

Patroness committee includes Mrs. Carl Abbott, Mrs. Waldemar Adams, Mrs. Maynard Andreae, Mrs. Robert Black, Mrs. William Calhoun, Mrs. Winthrop Conrad, Mrs. Maxwell Fead, Mrs. Robert
