DOENGES
THE FLOOR PLAN OF THIS THREE-bedroom frame ranch home is readily adaptable to several basic living arrangements. Two entrances, either one can be called the front door. There has been extensive professional remodeling during the past several years. All-electric kitchen includes built-in dishwasher, range, oven and disposal—and intimate breakfast space. Also the two-car attached heated garage there has been added a 24 x 22 hobby room which could be a multi-purpose area! Located on a 135 x 600 ft. lot with attractive landscaping and a number of trees. We could do a much better job showing you this home and area than we have done trying to give you a word picture, so will you please call us for an appointment to see something with just a little touch of New England.
