Accutron

Designed to meet the rigorous demands of time in the jet age, this fine watch mechanism is the newest development in more than three centuries. We'd like to tell you about Accutron and show you its remarkable performance. Pictured is Accutron "208" in yellow or white with custom crafted case. \$175

*Solitaire by
Orange Blossom*

Created especially for today's bride-to-be, this Orange Blossom solitaire is highly prized for symmetrical beauty and delicate design. See this and other Orange Blossom rings in our exclusive design collection. From \$150

The Ballarina

Change your outmoded ring to a showpiece by having it reset in this Ballarina mounting. A bevy of baguettes and a circle of brilliants form the tutu skirting the loveliness of your own center stone, giving you a beautiful ring at a fraction of its value, and for compliments it's S.R.O.! Mounting in platinum \$1600

*Sparkling Marquise
by Universal Geneve*

This elegant marquise shaped Universal Geneve tapers to meet the radiance of four full cut diamonds. So much fashionable beauty surrounds an unerring mechanism of fine Swiss watchmaking. \$225
