## Santa Schedules Visit to Westchester

By ELEANOR NELSEN  
MI 7-0656

The Westchester Association has made arrangements to have Santa Claus visit their area on Saturday, Dec. 21. He will begin his tour of the area at approximately 11 a.m. at the corner of Westbourne and Cranbrook Roads and circle through the streets of the neighborhood winding up at the intersection of Middlebury and Cranbrook Roads.

His trip will be made via convertible, if there is an absence of a sufficient amount of snow. Santa is hoping all the children in the vicinity will be on hand to wave to him.

The association will also have a "skate collection" (similar to the Halloween candy collection) the week after the children return to school from their Christmas holidays.

Anyone who has outgrown skates of which they would like to dispose are asked to save them for this project. The skates will be taken to various children's homes for distribution.

MR. AND MRS. JOHN Naughton of E. Bradford Drive were especially anxious to play host to one of the Mexican exchange students who recently came to his country because the Naughtons themselves had been in Mexico vacationing last year and were quite impressed with the country and its inhabitants.

They now have Fernando Ordorica Perez from Mexico City staying with them until January. Fernando, 15, is going to Brother Rice High School during his visit here. He has a sister 17 years old who has been an exchange student to this country, Hawaii and Japan and is now preparing to spend time in France.

The thing that has been most amusing to Fernando in his short time here has been the sight of snow. The Naughtons are planning a special Christmas treat for their guest by taking him to Niagara Falls.

HER FRIENDS call her that "lucky Mrs. Burton." Not only

did she win a turkey prior to Thanksgiving when bowling with the Franklin Woods Women's League but she also won a second turkey in the Friday night mixed league.

With all this lovely fowl on hand it seemed a good time to plan a party so one was held at the Burton home on Dec. 8. Guests gathered in their home on Pickering late in the afternoon for cocktails and to do some armchair watching of a football game after which they enjoyed the turkeys.

The evening wound up being a surprise birthday party in honor of Mrs. William Loll complete with birthday cake, gag gifts and all the trimmings. Also present at the party were Mr. and Mrs. Robert Martin, Mr. and Mrs. Edward Nightingale, Mr. William Loll, the "birthday gals," spouse, Mrs. Kenneth Bielby and Mr. William Kemp.

Seems like the Burtons never stop being busy. They spent the Thanksgiving week end in Chicago visiting Mr. and Mrs. Fred Oppmann who were former Birmingham neighbors.

Another couple from Pickering who spent the long Thanksgiving week end in the Chicago area were Mr. and Mrs. Ted Hopkins who took their four sons, Tom, Jim, John and Rick, to visit their maternal grandparents, Mr. and Mrs. Andrew C. Scherer who reside in Evanston, Ill.

Being that far from home, they were able to watch the Lion-Packer football game on Thanksgiving day. The boys had many things to tell their grandparents. Tom, a junior at Brother Rice High School is a member of the National Honor Society of Secondary School, Aquinas Chapter. Membership in this is based on school leadership, service and character. Tom was also junior club champion in golf at Pine Lake Country Club and received a varsity letter in golf from his school. Jim, not to be left out, received a reserve letter from Brother Rice for participating in cross country competition.

THE BERKSHIRE branch of

the Women's National Farm and Garden Association met for its Christmas Tea on Dec. 3 at the home of Mrs. David Burnham, Oakhills Drive. The "halls were decked with holly and other green decorations which the members had constructed for display purposes.

Their works of art were shown to encourage the other members to try their skills. Chairman of the party was Mrs. R. A. Fox. Assisting her were Mrs. B. W. Westcott, Mrs. Arthur Newman, Mrs. Frank Smith and Mrs. William C. Young.

The Berkshire branch intends to continue collaborating with the Franklin branch on their project, "Horticultural Therapy," at the Pontiac State Hospital. At the present time they are working with boys in the 15-16-year-old group.

MR. AND MRS. M. B. Ricketts of Pebble Lane held a wedding reception in their home the eve of Thanksgiving Day, November 27. Robert, the son, who had been a widow for a number of years, was married to Mr. Harry Clause in Angola, Ind. on Nov. 5 but this was the opportunity which the family could get together for a celebration. The newweds were presented with a FM radio after a buffet supper was served to approximately 40 guests who had come to join in the festivities.

The Ricketts' son, Ron, was home from Western Michigan for the holidays and had as his guest, Miss Marsha Dickermann whose parents were among those present. After dining, Ron and Marsha began a floor show by dancing and were soon joined by Mr. and Mrs. Richard Dickermann who are professional dancers.

Young Tracy and Robin Ricketts were not left out of the party but were asked to be very much a part of it.

A CHRISTMAS luncheon will be held by the Naperville branch of the Women's National Farm and Garden Association on Monday at the home of Mrs. Ben Franklin on Westbourne Drive where they filled 70 boxes which had been donated to them by Lake Jewelers with jewelry they had collected among themselves.

On Tuesday the ladies will meet at the home of Mrs. Frank Starr, also of Westbourne Drive, for the purpose of filling decorated coffee cans with home-made cookies. These two gift projects will then be delivered to the Pontiac Hospital on Wednesday.

HOUSE GUESTS at the home of Mr. and Mrs. Edward Loll on West Lincoln Drive for the Thanksgiving holidays were Mr. and Mrs. Walter Bennett and Mr. and Mrs. Donald Kilmer.

Both couples are from DuBois, Pa. Friday afternoon, Mrs. Talbert entertained at a coffee in her home, having 18 women who are friends and neighbors, to meet her house guests.

Newest member in the Robert Koerber home on S. Cranbrook Cross is Kristine Marie who was born on Nov. 25. She weighed in at 7 pounds, 3 ounces at the Detroit Osteopathic Hospital. At home to welcome her are four brothers and two sisters, all of whom have names which begin with a "K."

The annual College Information Day for the seven eastern women's colleges will be held on Monday, Dec. 23, at 10 a.m. at the Women's City Club.

The committee is composed of Barnard, Bryn Mawr, Mount Holyoke, Radcliffe, Smith, Wellesley, and Vassar.

Coffee will be served, and a student from each of the seven colleges will participate in a panel discussion of life at the colleges. High school principals and counselors from this area are being invited, and there will be a representative from each college who will talk with girls who are interested in attending any of the seven colleges.

## Don't Buy Any ORGAN Till You Hear A CONN ORGAN

It is no extravagant claim to describe the Conn Serenade as the nearest approach to perfection yet achieved in a home organ. On the contrary, you'll call it a most conservative statement when you see and hear the Serenade to cite but one example, the Serenade, while retaining its graceful proportions, offers a self-contained Leslie Speaker. Supplementing and complementing two conventional speakers, the very unconventional Leslie, with its unique two-speed rotary element, adds a delightful multi-directional effect to the inherent pipe-like Conn Organ tone. Then there's the Chorus Tab, Conn Sustainer, Celeste, Featherbender... and much, much more—all reflecting the ingenuity of Conn designers and contributing to their crowning triumph... the Conn Serenade. Have we gone a bit emotional? Come in and see why!

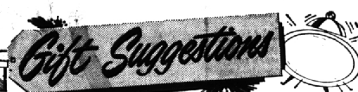

OLE FOERCH Will Be Playing Christmas Carols At The Detroit Bank & Trust from December 16 thru December 24 from 11:30 a.m. to 2:30 p.m. at the Woodward and Hamilton Branch.

CONN ORGAN monthly terms, if desired
