The names of the families plus the ages of their children were supplied by the Oakland County Welfare Department. Each classroom adopted one family.

AT A PARTY in the school's multi-purpose room, Monday evening, to which a welcome was extended to everyone in the community, the pupils of grades four through six placed their gifts of clothing, games and surprises in bins surrounding a Christmas tree. The singing of carols followed.

A similar ceremony was held yesterday afternoon for the kindergarten and grades one through three.

Last night the school's glee club, comprised of 50 fifth and sixth graders, was one of the groups taking part in the singing of carols in Birmingham.
