The offices will remain at the present address 237 E. Maple Road, Birmingham.

Recently he has been designer and consultant for the south wing addition for Detroit's Institute of Arts, presently under construction.

He is also Assistant Professor of Architecture at University of Michigan and member of Civic Design Committees in Birmingham and Detroit.

DR. LEVITT

Dr. Jack Levitt has been elected medical director of the two Martin Place Hospitals, it is announced by A. I. Fill, administrator.

Martin Place Hospital West is in Detroit. Martin Place East will open in January in Madison Heights.

A. JAMES SAVAGE

Savage Gets New Post at Chrysler Corp.

A. James Savage, plant manager of Chrysler Corp.'s Nine Mile Plant, has been appointed plant manager of the corporation's new stamping plant, to be built in Sterling Township.

Save, 211 Puritan, Birmingham had been Nine Mile Plant manager since 1959. His new appointment was announced by W. B. Connolly, general plants manager, stamping group.

The new plant will be located on a 265-acre tract along Van Dyke Avenue between 15 and 16 Mile roads in Macomb County. When in full operation it will employ approximately 3,000 persons.

SAVAGE'S appointment as plant manager before actual construction is started will enable him to give complete attention to coordinating and implementing key operating decisions regarding the new plant.

He first joined Chrysler Corp. in 1936, and held managerial and engineering positions with three other Detroit-area firms from 1945 until 1951, when he rejoined Chrysler as chief tool engineer for the stamping group, and later staff specialist to the group master mechanic.

In 1954 he was appointed master mechanic, stamping group, and in 1956 was appointed manager of production engineering at the Nine Mile Plant.

W. J. DeGrace Co., 2113 Yorkshire, Birmingham, has been appointed public relations counsel and advertising agency for two Martin Place Hospitals.

In Ohio
