The Valley Woods branch, WNFGA will hold its annual meeting to which husbands of members are invited on Saturday. A smorgasbord dinner will be held at the home of Mr. and Mrs. Al Kacy on Lahar Road at 6:30.

The dinner will have an international flavor with a menu consisting of foods from many countries and a centerpiece displaying flags of all nations. Members of the committee are Mrs. Walter Nyland, chairman, and Mrs. John Bergama, Mrs. Joseph Balgorth and Mrs. J. W. Meinart who has an exchange student living with her family. Guest of honor for the evening will be Bud Thar, an international foreign exchange student who is now studying at Michigan State University. Bud will be coming from Lansing with Terry Edington, a fraternal brother, who incidentally is a scholarship student of the Valley Woods branch.

THE JANUARY MEETING of the Valley Woods Garden Club was a sandwich luncheon held at the home of Mrs. Leon Mirbach on Forest Lane with Mrs. Doyle Lane, Mrs. Wilson McClellan and Mrs. John Kelbert assisting. Mr. and Mrs. Harold Weber of Weber Greenhouse showed movies on "From Seeds to Flowers in the Garden."

The last meeting was held at the home of Mrs. John Tesmar and consisted of a panel discussion on peonies by Mrs. Frank Neward and instructions on making a terrarium by Mrs. Gordon Andrus.

DAVID SEMPOWSKI, grandson of the Howard Lambles of Reedmere, was the "man of the hour" on Friday when his grandparents, aunts and uncles gathered to help him celebrate his 2nd birthday at a family dinner in his honor.
The Ascension Lutheran

Church on 14 Mile Road invited its members to a continental victory breakfast on Sunday, Mrs. Robert Kratt was hostess, assisted by co-hostesses Mrs. Don Hoener and Mrs. L. Virginia Goertz.

FORTY-THREE students from Our Lady Queen of Martyrs School, all 8th graders, took their first field trip of the year on Feb. 13 with their teacher and some of the mothers, the group visited Cranbrook where they toured the Institute of Science, the planetarium and the museum. Beverly 12 residents will dance to the music of the Al Ross Trio on Saturday at their annual dinner dance at the Packard Inn. Co-chairman Mrs. Dean H. Hopper and Mrs. Herman J. Drazick are busy securing last-minute prizes to be presented to several lucky members at the smorgasbord dinner.

ON WEDNESDAY Knights of Columbus members met at the Hall on Southfield for a social evening and annual building corporation meeting to plan on suggested improvements and expansion in the future. There will be an officers board meeting and open house for new members on Monday at 8:30 p.m.

A new "world record" has been set by Tom Wood, a freshman at Findlay College, Ohio, from Beverly Hills.

Intrigued by the mechanisms of the commercial automatic dryer, he entered one with the aid of friends and remained for 41 minutes, thereby discovering it made 1,064 revolutions or approximately 40 per minute.

His friends held the door ajar so he wouldn't become overheated, or completely baked. Afterwards, insisting he felt fine, he walked to an all-night restaurant for a hamburger and a cup of coffee—but only one.
