Business Success Doesn't "Just Happen"

There is no "shortcut" to personal and financial success. Leading businessmen throughout the world attribute their success to opportunities gained through the knowledge of bookkeeping, office machines, business law, math, English and related business training. Successful secretaries, who enjoy higher incomes and the best working conditions, are quick to point out that "half-training" is not enough. Only those who are well trained can command the better positions.

Excellent career opportunities, in business, industry and government abound for those who qualify.

At PBI young men and women are preparing for better jobs, higher salaries and future security. We should like to tell you about our program. There is no obligation to you.

NEWS OF BUSINESS

Behind The Store Fronts

This year marks the 49th anniversary of the Hawthorne-Electrical Co., 375 Hamilton, Established by Roy and Helen Hawthorne in 1914, the business was sold to the Schmidt family in 1948 and moved to its present location in May, 1962. Mrs. Elvira Schmidt and sons Carus and Jim, invite you to stop in this Thursday, Friday or Saturday for cake and coffee.

During our recent cold weather spell, Earl Williams (circulation manager of The Eccentric) read a letter from a friend in Honolulu and smiled wryly. Temperatures were in the eighties, the friend wrote.

"When I was circulation manager of the Honolulu Star Bulletin six months ago, I didn't recall the winters as being so bad in the Detroit area," Williams said. "Sure, the climate is wonderful, and the people of Hawaii are exceptionally friendly. The trade winds act as the Islands' 'air conditioners,' which makes the weather quite comfortable except when the hot and humid 'southern' winds come up.

"But living expenses are very high in Honolulu," Williams commented. "Much higher than I anticipated when I went to Honolulu after my 14-year-old job with the Detroit Times vanished overnight."

G. C. Johnston, who counts 35 years experience in business, has moved his plumbing and heating firm to 553 S. Eton Road.

Except for those hardy souls who like fish, it's still some time before real and reel time. But fishermen (and others) can keep in practice, telling those tall tales by entering Greenfield's Restaurants' "Dishonest George Contest" to be held the week of George Washington's birthday.

John Miller, manager of Greenfield's Restaurant at 725 S. Hunter Blvd., invites you to enter your favorite lies, fish, tall tales or falsehoods during Greenfield's annual Cherry Pie Week. The five best entries at each restaurant will receive a free cherry pie.

And, just in case you have ever wondered, Miller says that he counted the number of cherries in several Cherry Pie Weeks. The best entries at each restaurant will receive a free cherry pie.

Morris Goldberg, of Suzzette's, 291 Pierce, is hospitalized at St. Joseph's Hospital, in Pontiac.
