Kappas Hear All About Birmingham

The Kappa Kappa Gamma North Westwood Alumnae Association meeting took place Tuesday, when Mrs. James E. Goldsmith, 2131 Twombly Road, Bloomfield Hills, opened her home to members of both the evening and afternoon groups of the association.

The afternoon began with luncheon, planned and served by Mrs. N. West Burkman, 715 Westwood Drive, and Mrs. Richard E. Henne, 479 Larchlea, both of Birmingham; Mrs. Charles L. Storn, Southfield, and Mrs. William E. Ludwig, Bloomfield Hills.

FOLLOWING luncheon, president Mrs. Thomas C. King of Royal Oak conducted the business meeting. Comprehensive reports were given by Mrs. Gordon C. Boling, Birmingham, vice president; Mrs. Richard V. Anderson, Bloomfield Hills, secretary; Mrs. Frank Carlson, Birmingham, treasurer, as well as committee chairmen.

Lyman L. Fishburn, 584 Rivenook, Birmingham, is second vice president for the association and in charge of program plans. The business meeting concluded. Mrs. Fishburn proceeded with the highlight of the afternoon and introduced the guest speaker, Manley Bailey, director of Manley Bailey Funeral Home in Birmingham.

HISTORIC Birmingham was the subject Mr. Bailey presented to the Kappa audience. Birmingham has been the residence of the Bailey family for many generations, as Kappas new to the area, as well as settled ones, heard an informative review of the history of our city from someone who knows and has grown up with it.

From his extensive collection of pictures and slides of Birmingham, Mr. Bailey chose some to show during his talk. The pictures pointed up spots of interest as well as the development of the city from the early 1900's to the present time.

Save Discards For Girl Scouts

Spring cleaning will come a little earlier in Southern Oakland this year as Girl Scouts participate in "Goodwill Good Turns," a Council service offered to all intermediate and senior Girl Scout Troops in the Southern Oakland Council.

The girls are collecting household discards to be used to give employment to the handicapped at Goodwill Industries. By filling Goodwill bags, local Girl Scouts hope to bring opportunity for handicapped workers to continue employment during the season of the year in which collection of

usable items is lightest. 1963 is designated nationally as the year of Girl Scout service to the community.

In "Goodwill Good Turns" the helping hands of Girl Scouts turn "secondhands" into productive hands at Goodwill Industries. Collections accumulated in the neighborhoods will be picked up at area points March 16 from 10 a.m. to 2 p.m. In Birmingham, collection points are Seaboard High School, Groves Junior-Senior High School, Derby Junior High School, in Bloomfield Hills, Bloomfield Hills High School.
