

Esquire Takes Over Decor at Oakland Hills

Leprechaun Gets Signals Mixed

Leprechauns, bright little people that they are, sometimes get confused in a shuffle, and this is what happened at the "Shamrock Shuffle" dinner dance at Oakland Hills Country Club Saturday night.

Greeting guests was the same Irish leprechaun who played his pranks at the club a year ago. No one knew how, why or when he arrived, but there he was.

Much later, it was discovered that a near-by country club was anxiously waiting for the frolicsome fellow. He'd simply got his clubs mixed!

THE BEARDEN boys, Ned and Wen, and their pretty blond wives were co-chairmen of Saturday's party, and had arranged a treat of a free dinner to any guest by the name of "Pat." Only four out of 300 diners had dinner on the house. They were three Patricias and one Patrick. Patricia Golcar, daughter of Mr. and Mrs. Leo J. Golcar, not only had the free dinner but a cake with sixteen lighted candles. Helping her celebrate were her sister Jane; Julie Hiller, Dick Morris and Victor Thompson.

NED BEARDEN

With an eye to an evening as colorful as it proved festive, gentlemen at Oakland Hills Country Club gave the "little women" a break Saturday afternoon and took over the job of decorating for the annual St. Patrick's dinner dance that evening. So successful were the results, it's rumored the men have got themselves an annual deal.

PTA Notes

Tonight's PTA meeting at Barham Junior High School is being especially planned for parents of seventh grade students.

Representatives from the various departments offering elective subjects will be present to explain their courses and their plans for the future. Art, Music, Foreign Languages (including French, Spanish and Latin), Industrial Arts and Home Economics will be discussed.

Refreshments will be served following the meeting.

CON-CON DELEGATE Henry L. Woolfenden will be the guest speaker at the PTA Council monthly meeting Monday, March 25, at Pierce School. The public is invited.

Society Dept. deadline for all organizational news, weddings and engagements announcement is 5 p.m. on the Friday preceding Thursday publication.

Head Coach Talks At Ladies Night Of Bowdoin Club

C. Nelson Corey, head coach of School, was host to the group at the dinner at the school. Dr. Snelling, a member of Bowdoin's class of 1953, said alumni of the Brunswick, Maine, liberal arts college for men, brought to the meeting as their guests Detroit-area high school students interested in Bowdoin.

Corey, who was graduated from Bowdoin in 1939, has been a member of the coaching staff at his alma mater since 1955. In December of 1958 he became Bowdoin's head football coach.

This is the economical Newport 4-door sedan

\$2964*

If you find this Chrysler price unbelievable, come in and let us prove it to you.

A surprising number of people walk into Chrysler showrooms carrying one of our \$2964 advertisements. They find the price almost incredible and ask us to prove it to them.

We're always glad to oblige.

We offer full-size evidence that a Chrysler at that \$2964 price is every bit a Chrysler with all the quality and engineering greatness one expects in a car of this reputation.

There's the look of Chrysler . . . crisp, custom beauty that says luxury all over. There's big V-8 power, for example, that runs like a Swiss watch on economical regular fuel. Torsion-bar ride that snuffs out bumps yet handles with the agility of a pro-

halfback. Lush carpets and fabrics. And a 5-year or 50,000-mile warranty—America's best and longest new-car guarantee.

We welcome skeptics, the kind who figure Chrysler's crisp custom beauty is too rich for their taste. We're happy to report that we've turned thousands of them into contented Chrysler owners.

Your authorized Chrysler Dealer's Warranty against defects in material and workmanship on 1962 cars has been expanded to include parts replacement or repair, without charge for required parts or labor, for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case and internal parts (excluding manual clutch); torque converter; drive shaft; universal joints (excluding dust covers); rear axle and differential; and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Chrysler Certified Car Care schedule.

*Manufacturer's suggested retail price of Newport 4-door sedan, exclusive of state and local taxes, license, and destination charges. While while these rates.
