As  
The  
Twig  
Is  
Bent

So began a saying back in the old days. Twig bending at that time was not restricted to sayings, but represented a fine art in furniture making. Many excellent pieces were fabricated of bent wood and their lacy designs and sturdy construction found ready acceptance by the canny buyers in that bygone day.

The original rocker pictured above is a classic example of these fine old pieces and is modestly priced in "as found" condition.

## NORTH ADAMS

### Garden Club Named After Trees

By ELIZABETH YATES  
MI 6-1682

When the Osage Garden Club was formed in 1955 its first members looked over the North Adams area for a suitable name for the club. The district was then and still is lined with Osage orange trees along North Adams, Long Lake and Squirrel roads. It was then decided to name the garden club "Osage".

The Club has taken on the spring project of selling Osage tree seedlings that average 3 feet in height and will sell, beginning this week, for 25 cents. The 500 seedlings will be housed in the Charles Crane barn on Lenox Road, just east of Adams Road. Orders will be filled through any Osage Garden Club member or Mrs. Crane, Mrs. William Niemhuis of Walnut Hill Drive or Mrs. Alan Yates of Massfield Drive.

A GROUP of Chapel Hills Estates residents, interested in forming a new branch of the Women's National Farm and Garden Association, met for coffee at the Lenox Road home of Mrs. Charles Crane on Tuesday morning. Meeting the group there were Osage Garden Club president, Mrs. E. A. Linder, Mrs. Harry Kragar and Mrs. Florence Hyde, Michigan division extension chairman.

The Chapel Hill resident have set the fourth Monday of each month as their club date. The club will be giving their branch a name in the near future. The club's first officers include president, Mrs. Clifford Morgan of Ashover Road; vice president and program chairman, Mrs. William Snyder of Peveril Road; secretary, Mrs. Charles Daly of Winchcombe Road; treasurer, Mrs. Wilfrid Leach of Winchcombe Road. Their first board meeting took place on Monday at the home of Mrs. Morgan.

MRS. JOHN Hubbard, of Parkman Drive opened her home to members of the Kern Lake Garden Club on an afternoon in March. Co-hosting the meetings was Mrs. Douglas Hoops of Kernway Drive.

Walter Morris of Morris Nursery in Troy brought shrubbery, tools and sprays, with him to demonstrate the proper ways to trim shrubs and the use of the tools and sprays.

Robert Bills, landscape architect of the Huron, Clinton-Metropolitan Authorities spoke to the Concord Green Garden Club on Monday evening. His talk was accompanied by movies of parks and facilities in the counties of Oakland, Wayne and Macomb.
