WESTCHESTER

There's nothing like a weekend spent at college to make you feel young says Mrs. Frank Kent of Lahser Road after she had spent March 16 and 17 visiting her daughter Patricia at the University of Michigan. The occasion was "Mothers' Weekend." Part of the planned program was an art show held in the dorm and hearing Jazz artist Dave Brubeck perform in Hill Auditorium and visiting the Alpha Xi Delta Sorority house of which Pat is a pledge.

At the present time, Pat is a resident of the "Little House," a part of the Mary Markley Dormitories. Mrs. Kent has also received an invitation to attend the open house of the sorority to be held on March 31.

THE MOTHER'S CLUB of St. Regis School held their last

meeting in the school classroom on Tuesday, March 19. The organization has been dissolved and a committee is working to organize a new group for the next school term which will have the fathers as well as the mothers participating in school activities.

The program for the final meeting was presented by Pearse Florist of Pontiac. Mrs. Dorothy Brooks demonstrated flower arranging. Most unique center piece of the demonstration was a large loaf of bread with the center scooped out and filled with red carraottas out of which stuck stalks of raw spaghetti. It was suggested this be used for a patio supper. In appreciation for her services as president of the Mothers Club, Mrs. William O'Brien was presented with an outdoor statue. The flower arrangements were won by the ladies attending the meeting.
