ELIZABETH S.

BAGBY

CANDIDATE FOR CITY

COMMISSION OF BIRMINGHAM

As a long-time resident of Birmingham whose only interest in seeking a place on the city commission is to make our community a better place to live, I have been greatly disturbed by the commercial expansion which has taken place during the past several years. I firmly believe that, after the necessary steps are taken to relieve the congestion which now exists in the central business district because of over-expansion, we should put an end to this type of growth by changing our rezoning procedure, directing our efforts to the best interests of the people who have chosen to make their homes here.

**CON-CON REPORT****Need New Constitution,
Romney Urges Voters**

"Michigan needs the new constitution. It holds the promise of the future. It is the state's escape from the shackles of the past and our means of reversing the trend towards dependence upon Federal government for answers to purely state and local problems."

So said Gov. George Romney (of Bloomfield Hills) this week, just four days before next Monday's election when Michigan voters will go to the polls to pass judgment on the proposed new state constitution.

Bipartisan support for the new document has become increasingly evident as Election Day approaches. Not only have more than a score of nonpartisan organizations in the state endorsed the proposal, but in recent weeks leaders in both

political parties have been outspoken in their support.

EARLY THIS MONTH Prentiss M. Brown, Democratic elder statesman and former U. S. Senator, announced his intention to vote for the new constitution. Dr. Connor D. Smith, Democratic chairman of the Michigan State University Board of trustees, had previously announced his support.

William Palmer, a Democratic appointee to Michigan's original Civil Service Commission, has also announced his approval of the new Constitution. "It will keep the merit system and keep career people in state service," he said. "Some of the proposed changes, I believe, will also improve the relations of civil service with those branches of government."

AT LEAST 70 MAJOR changes from the 1908 state constitution are incorporated in the proposed document and 75 per cent of them received the unanimous or near-unanimous vote of the 144 delegates to the Constitutional Convention.

No decisions at the convention were made on a strictly partisan

**Deadline Nears
On Filing for
Nursing Awards**

Two registered nurses and four 1963 high school graduates will win competitive merit scholarships offered this year by the Detroit and Tri-County League for Nursing according to Mrs. Marguerite Murray, R.N., Executive Director.

Registered nurses are eligible to compete for two \$2,000 scholarships leading to a Bachelor of Science in nursing degree. High school graduates of 1963 may apply for two \$2,000 four-year university scholarships which also lead to a Bachelor of Science in nursing degree. Two \$400 scholarships to a hospital school of nursing or a junior college program are also open to high school graduates.

Application forms may be obtained from hospital directors of nursing or from the Detroit & Tri-County League for Nursing and from high school counselors and principals. The deadline for filing applications is Monday.

**Hatt of Cranbrook
Directs Convention
Of State Scholars**

Kalamazoo played host to the 67th annual meeting of the Michigan Academy of Science, Arts and Letters last Thursday, Friday and Saturday.

Dr. Robert T. Hatt, director of the Cranbrook Institute of Science and president of the Academy, headed the expected 1,000 participants in the meetings covering 23 different subject areas. He also delivered the presidential address at the Academy banquet Friday evening, "The Conception, Birth, Life, and Death of Academic Societies."

Meetings were held principally in the new \$3,500,000 Wood Hall on the Western Michigan University campus, with some sessions at Kalamazoo College, the Kalamazoo Public Museum, Kalamazoo Institute of Arts, and the Upjohn Company.

basis and all sections of the document passed by the delegates had bipartisan support.

Among the significant improvements over the 1908 constitution are:

1. Abolition of spring elections saving an estimated \$1 million each year.
2. Four-year terms for elected state administrative officials, permitting the time needed to establish a program.
3. Reorganization of Michigan's hodge-podge of 126 boards, bureau and commissions into not more than 20 departments.
4. Tools to help the legislature solve the problems of mushrooming urban areas.
5. CO-ORDINATION of the state's educational system through an enlarged eight-member state board of education who would have authority to appoint the superintendent of public instruction.

6. Expanded provisions on civil rights, including a new anti-discrimination clause which is to be enforced by the nation's first constitutionally-established state civil rights commission.

7. Legislative apportionment formulas which will guarantee to Michigan citizens a truly "balanced" legislature.

8. Improved basic enactments on finance and taxation which will permit short-term borrowing of substantial amounts of money at periods during the year when the state traditionally experiences lower monthly revenues.

NO SIGNIFICANT CHANGES are made in people's right to amend the new document. The process will be substantially the same as in the present constitution.

The question to be submitted to the voters at Monday's election is a simple one—"Shall the revised Constitution be adopted?"

If the people receive a favorable majority, the new document would become effective on January 1, 1964. The first election for four-year terms under the new constitution would be in November of 1966.

Two Cancer Films To Be Shown at Woodward Church

Two educational cancer-control films can be seen at a free showing at 1 p.m., April 8, at the Church of the Latter Day Saints, 425 N. Woodward, Bloomfield Hills. The two scheduled films are "Cancer, Life Against Itself," a

South Oakland Unit of the Michigan Cancer Foundation, 1739 Coolidge, Berkeley, as part of the 1963 Cancer Crusade.

treatment of the behavior of normal and abnormal cells, and "Chance to Live," an explanation of the Pap smear test for early detection of cervical cancer.

VOTE MONDAY APRIL 1st — VOTE FOR BURGUM

Dear Voter:

We urge you to return a mighty good man to office. Bill has been our Mayor Pro Tem for the past two years, has served 5 years on the Commission and 6 on the Plan Board. He is an engineer and executive in public works construction—familiar with municipal problems.

This accumulated experience is most valuable. We should make certain that he is kept in office. Remember to vote!

Citizens Committee for Burgum

RE-ELECT WILLIAM H. (BILL) BURGUM
TO THE CITY COMMISSION

**We Give Our
Unqualified
Endorsement
Of**

BILL ROBERTS

FOR RE-ELECTION AS

COMMISSIONER

"Bill Roberts has done a tremendous job in his role as former mayor and as a member of the Birmingham City Commission during the past 9 years. His record of faithful and dependable performance completely takes the gamble out of voting for this position. Without qualification we endorse Bill Roberts and urge our friends and fellow citizens to re-elect him. He is an experienced civil servant with a proven reputation of serving his community well. Why take less when he offers the best!"

WE URGE YOU TO VOTE FOR HIM MONDAY, APRIL 1
