

Broomfield to Be Feted At Birthday Dinner

Over 500 tickets have been sold for the special Birthday Party honoring Oakland County's Congressman William S. Broomfield next Thursday night according to Chad Ritchie, chairman of the affair.

"We had hoped to have a turnout of 400 of Bill's friends," Ritchie said, "but we now find that over 500 tickets have been sold and there is still another week to go." The Birthday Dinner will be held at 7 p.m., April 25 at the Glen Oaks Country Club on Thirteen Mile in Farmington.

Ritchie said that the party is just a gathering of Bill's friends and not a political rally or fund-raising event.

Boy, 15, Admits Six Break-ins

A 15-year-old Troy youth has been placed in the Oakland County Children's Center by Birmingham police after he admitted six break-ins and enterings in the area.

On April 11 the boy broke into the B and J Barber Shop, 211 N. First, and took about \$18. The same day he also robbed Ralph's of 5th Ave., 580 N. Woodward, of \$75.

In recent months the youth told police he had broken into several area stores, laundromats and a school. Police said the boy told them he first broke into a home when he was six years old.

Hearing

"indicate we are not out to get them."

INGHAM was referring to a meeting at The Community House last week in which Brownfield and Stevens explained to about 200 members of the association the future plans of Birmingham.

Breck said he believed the group would like to have public hearings held on the proposed parking lot because "they would like to express themselves."

Brenfrew asked Breck, "Are you speaking for the association? Because you're interpreting their letter."

"I resigned from the association last week," Breck said, "but I feel I know the background."

A GROUP of citizens from that same area asked Breck to run for city commissioner because they wished to have a candidate from the center of town.

Breck said he had talked to several persons who attended the meeting last Thursday and they were pleased with the City's presentation.

Commissioner William E. Roberts asked the city attorney to prepare a condemnation resolution on the property the city was negotiating to buy.

No formal vote was taken on Roberts' motion, but the attorney was directed to begin preparation of the resolution because it takes time to do this type of work.

MAYOR WILLIAM H. Burgum said he believed a lot of the difficulty in any community was the failure to disseminate information.

"Any of us would be glad to talk to this group any time," Burgum said.

"We want to make this a good town in which to live," Burgum said.

The commission again stressed that the proposed Central Business District Development Plan was merely a guide to future Birmingham and was only a concept of what could be done in the downtown area.

"Thousands of teenage business people from Birmingham and surrounding communities will take part in the largest Junior Achievement award affair of its kind May 9 at Masonic Temple in Detroit."

Stanley S. Kresge, vice chairman of the board of S. S. Kresge Co., general chairman of the 1963 Future Unlimited Celebration, Junior Achievement's awards convocation affair heralding the end of another operational year.

Business, civic and educational leaders will also take part in the function which officially closes Monday JA's 14th year of doing business in southeastern Michigan, America's largest Junior Achievement area.

The program will close with a special presentation from "Bill's Friends" and Homer Case, Jr. of Christ, Birmingham, will give the benediction.

"In the past, a number of Bill's friends have gathered in a private area home to help the Republican Representative celebrate his birthday," Ritchie said. "This year we started to make up the list and found it had outgrown the private home idea. So we decided to 'invite' as many friends as wanted to come. This year over 500 people will be on hand to help Bill celebrate his 41st birthday."

Due to the size of the affair, a special committee had to be formed to handle the arrangements.

SERVING ON THE committee are: Robert E. Anderson, 1880 Hillwood, Bloomfield Hills; Homer Case, 538 Helston, Bloomfield Hills; Mrs. John Crissman, 360 Applewood Lane, Bloomfield Hills; Mrs. John Finegan, 783 Abbey Rd., Birmingham.

B'ham Police Investigating Six Robberies

Birmingham police are investigating a series of breaking and enterings that occurred in the city over the Easter week end.

LA Merlon Holmquist said there were six reported break-ins in the downtown area between Friday and Monday.

The Sweet Candy Co., 820 S. Woodward, was broken into sometime between Saturday night and Monday morning and \$2,773 was taken from two BING cabinets and a cash drawer.

Holmquist said the thieves gained entrance through a skylight in the woman's washroom.

ABOUT \$2,700 in electronic and television equipment was taken from Electronic Service Co., 1287 S. Woodward, Monday night. Included in the loot were transistor radios and three television picture tubes.

A cash register at Englander's Furniture, 501 E. Maple, was broken into sometime late Friday or early Saturday and \$454 taken from it. The robbers gained entrance through a partition in a new addition to the store.

Other break-ins occurred at Peabody's Market, where only small change was taken; Birmingham Plastic, 2295 E. Lincoln, a cigarette machine was broken into; and Fisher's Market, 1249 S. Woodward, where nothing was taken from a small storage shed.

The disturbance of the beam due to the work of the previous day together with the other two probable causes.

DOYLE GRAY of Northville and Evan Flippin of Plymouth were plunged 30-feet into the school's swimming pool along with 50 tons of concrete when the roof gave way.

Flippin was treated and hospitalized overnight before being discharged.

The mishap is not expected to affect the fall opening of the school at 14 Mile and Lahser.

Teen Shoplifters Placed on Probation

Two Pontiac teen-age girls were fined \$54 and placed on six months probation in Birmingham Municipal Court Tuesday after pleading guilty to a charge of larceny from a building.

Catherine M. Everett, 19, and Shirley Manning, 19, stole \$95 in merchandise from Kay Baum's Monday afternoon.

There are many reasons for this, said L. Schaulé, the most important being that "it places on the rider the responsibility of observing the laws and riding carefully."

Another reason is, "A bicycle with a license is not so easy to get away with, and it, therefore, becomes one of the best theft deterrents," he said.

Cavanagh to Speak At C of C Meeting

Detroit Mayor Jerome P. Cavanagh will be guest speaker at the 15th annual dinner meeting of the Birmingham Chamber of Commerce at 6:30 p.m. Wednesday at Devon Gables.

Also on the program will be results of the election of directors for the Chamber of Commerce.

Three vacancies exist, created by the retirements of three directors, Donald L. Cummings, Henry F. Johnson and Harris O. Machus.

CANDIDATES for officers are Harold P. Anderson of Snyder; Kinney & Bennett; John W. Butler of Demerits; Robert D. Gwynn of Gwynn Custom Tailoring; Henry E. Hogan, Jr. of The Birmingham Eccentric; M. M. Rosenberger of Kuhnman Electric Co.; and Richard W. Turner of Harold Turner Ford.

The three men with the most votes will be elected to three-year terms which start the first of May, according to Charles Mortenson.

Window-Breakers Sentence Delayed

The sentencing of three youths who went on a window-breaking spree in the Birmingham area Dec. 10 has been postponed until June 17 by Circuit Judge Arthur E. Moore.

The trio, Walter H. Riley, 19, Robert K. Ross, 19, and David A. Staudt, 20, had pleaded guilty to charges of malicious injury to property and were to be sentenced more than \$4,000 in this area.

Robert Sterling, attorney for the boys, said Judge Moore set the postponement because the prosecutors office was still preparing restitution figures and because the boys were still in school.

Birmingham police said the boys admitted about 20 instances of window breaking amounting to more than \$4,000 in this area.
