Committee Tells Lathrup Road Needs

LATHRUP—If all the roads that need repair in the city were repaired, it would cost Lathrup taxpayers more than $70,000, according to a report by the Road Committee.

The group informed the council Monday night that immediate repairs requiring excavating and resurfacing would cost the city $18,571. Roseland and Bloomfield were named as the two major projects.

City Administrator Jerald D. Stone said resurfacing might have to wait.

"WE'RE GOING to stretch our maintenance dollar as far as we can, but there just isn't enough money in the 1963-64 budget for major road construction," he said.

Stone said the city is "just treading water" in repairing the gravel and asphalt roads.

"We are looking to the future when we may use the $7 per foot maintenance allocation for partial payment on concrete roads," added Stone.

Councilman Vincent A. Zatell suggested putting in a good base and gravel until the city and residents can afford concrete.

ZATELL SAID he opposes asphalt roads now, as in the past, because they "freeze and break up during the winter.

His opposition to asphalt was aroused by a letter from Dr. Charles E. Stebbins, 27277 Rackham, requesting the city to put in 200 feet of base at his home.

Dr. Stebbins said if the city would furnish the base, he would pay for the asphalt construction.

Council declared that a policy precedent had been set under which residents paid the total cost of the roads and that the city was responsible for maintenance only.

The matter was referred to the road committee.

Lathrup Will Join In Mayor Exchange

LATHRUP—Mayor Richard N. Cogger will travel to Newaygo, about 30 miles north of Grand Rapids, on May 20 as part of Mayors' Exchange Day, to trade places with the chief executive of that city.

Council appointed Mayor Pro Tem Elizabeth W. Mitchell as Lathrup's Michigan Week chairman.

3 Seaholm Students Win Scholarships To Eastern Colleges

Two Eastern colleges have granted partial tuition scholarships to three Seaholm High School students for next September. Charles Laurence Holtz, 515 Oakland, son of Mr. and Mrs. Charles L. Holtz, has accepted a scholarship to Dartmouth College, Hanover, N. H.

Thomas F. Kennedy, 322 Wimbleton, son of Mr. and Mrs. Ford Kennedy, and Timothy M. Maker, 22830 West 14 Mile Road, son of Mr. and Mrs. Paul Maker, have both accepted scholarships to Cornell University, Ithaca, N. Y.

All three boys have not only been very active in student affairs at Seaholm but have also remained constantly on the honor rolls for their scholastic ability, throughout their four years of high school.

Seek Recount On Lathrup Library Tax

LATHRUP—A petition by four residents for a recount of votes on the three library charter amendment propositions on the April 1 ballot was expected to be rejected by the local board of canvassers Wednesday night.

Two of the amendments — to create a library board and to give council power to provide library service — passed by a healthy margin, but voters rejected a tax levy of 30 cents for each $1,000 assessed valuation.

THE TAX proposition lost, 625-602.

City Attorney Everett Hayes told the council Monday night that the petition was improperly presented in that it did not allege any voting irregularities and that the petitioners did not specify that they voted in the election.

In order to qualify, recount petitions must be submitted to the State Board of Canvassers within 30 days following an election.

3 Boys Held In Attack on S'field Youth

SOUTHFIELD — Three youths are being held in the Wayne County detention home in the stabbing of a Southfield youth Monday afternoon.

John Blythe, 18, of 17579 Winora, was reported in fair condition in Detroit Osteopathic Hospital Wednesday morning. Emergency surgery and heart massage were performed on him.

The three boys, all Highland Park youths, were arrested by police of that city Tuesday. One of them, 14, admitted stabbing Blythe after the Southfield youth had turned down a request for a quarter, police said. The trio fled the scene after the attack.

BLYTHE, A STUDENT at Highland Park Junior College, and another student, Richard Rhodes of Farmington, were at Hamilton and Glendale when the incident occurred.

The 14-year-old and his two companions, who are being held as accomplices, are being charged with assault with intent to commit murder, police said. The latter two boys are age 14 and 16.

Rhodes identified two of the boys from pictures in the Highland Park High School yearbook, police said. The two named the third boy, according to police.
