

There will be no special demonstrations during the evening except for the Science Fair which will be in progress in the school gym.

All students enrolled in physical science (9th grade), chemistry, physiology and physics will participate in the fair.

## Representatives Attend Michigan Safety Conclave

The three-day conference which ends today, is being attended by some 3,500 representatives of business, public utilities, schools and colleges, women's groups, government agencies, transportation concerns and construction industries.
