

Troy Selects Property for Civic Center

Purchase of a site for a proposed 80-acre Civic Center was approved last week by the Troy City Commission.

Plans call for construction of a city hall, police station and possibly a library and recreation facilities.

Location of the site is on the north side of 16 Mile Road (Big Beaver), along the route of the Chrysler Expressway.

The land was purchased for \$136,000 from Mrs. Philip Huber, mother of Mayor Robert J. Huber. It was agreed by commissioners that this site was the best of three recommended to them by the City Planning Commission.

MAYOR HUBER was required to vote on the land purchase although he took little part in property discussions to avoid conflict of interest.

The seller also donated 10 acres of land for a park.

Commissioners voted on whether or not they should apply for a federal grant to assist in the construction.

Vincent J. McEvoy, Glen H. Houghten, Wallace B. Hudson and Huber voted in favor of applying for a Federal Accelerated Public Works grant covering 50 per cent of the cost.

James Carey and Robert J. Hargrett voted against the federal aid. City Manager David E. Firestone said there is little chance of obtaining the grant due to the number of applicants ahead.
