OUR "YOUNG  
DESIGNER" SERIES

AS AMERICAN IN DESIGN  
AS APPLE PIE... AND  
JUST AS EASY TO LIVE WITH

For the pure modernist—Triangle proudly presents our "Young Designer" Series, a continuous collection of easy-to-live-with furniture that takes its design inspiration from our contemporary way of life. There are classic pieces for every area of the home... tilt-back beds, flip-top tables... wishbone chairs... tambour storage units... and many others of equal distinction. Hand expertly constructed for enduring beauty... melding warmth and congeniality with ease and function. In genuine walnut with a fresh, new, low lustre finish that enhances the vibrant woodtones. See this fascinating new grouping tomorrow!
