

BLOOMFIELD NORTH Surprise Brunch Themed by Present

GLORIA JESSUP
MA 4-3257

"Watch that weight" and "count those calories" have become household mottoes the country over. But, in the Gene Bordinat home on Lakewood Road, Chalmers Lake, it turned into a theme for an unusual party.

When Bordinat arose on a Saturday morning recently, his wife presented him with a sweat suit to pursue his calisthenics. He got into his suit just in time because the surprise guests began to arrive (attired in zany costumes) for the brunch planned by Mrs. Bordinat. During the course presented with a cardboard plaque which contained an old, worn-out tennis shoe and proclaimed his athletic prowess.

STILL MEADOW
Mr. and Mrs. John Stitt of Burning Tree Drive entertained 25 members of their Still Meadow subdivision recently. Cocktails preceded the formal dinner with dancing following. Spring flowers decorated the tables as the neighbors enjoyed getting together after a long winter.

DELLS OF BLOOMFIELD
Sixteen ladies from the Dells made up one of the 23 leagues that play tournament bridge from October to April for the benefit of the retarded children of Pontiac State Hospital. The tournament was sponsored by Kappa Kappa Gamma.

A luncheon and style show will be held at Oakland Hills Country Club on Tuesday to award prizes. In addition to this affair, the women will gather for their own luncheon and afternoon of bridge on June 2 at the home of Mrs. Stanley Anderson of Kellen Lane. Organizing the Dells league was Mrs. Carl Waldrep of Kellen Lane who reported that over \$1,000 was raised this year for the retarded children.

DEVON HILLS
Twenty-one couples gathered at Sylvan Glen Country Club re-

cently for the Devon Hills Association dinner dance. The committee who planned the affair included Mrs. Robert J. Peters, Mrs. Frances Strobel, Mrs. Ann Pichler, Mrs. S. J. Sykes and Mrs. Eugene Nielsen.

Mr. and Mrs. Clifford C. Grovogel of North Pemberton Road have returned home following a two-and-one-half week trip to Florida. The Grovogels spent most of their vacation at Pompano but spent a few days at Hollywood-by-the-Sea while he attended a business meeting.

While the Grovogels were vacationing in Pompano, they were joined by their neighbors, the E. Gilmur Wims of South Pemberton Road and the Robert Brattons of Lane Lake Road, who stayed just down the road. The three couples got together for dinner and various other activities.

This past weekend Mr. and Mrs. Grovogel enjoyed a visit with their daughter Barbara who was home for Mother's Day weekend. Barbara brought a classmate home with her for the weekend. Her schoolmate is Mary Dornier of Whitefish Bay, Wis. Both girls are students at Michigan State University.

MR. AND MRS. Harold Cousins have returned to their South Hill Drive home after spending a week in Washington, D. C. It was a combined pleasure and business trip. Cousins attended a Chamber of Commerce convention during part of their vacation and the rest of the time was spent seeing points of interest and relaxing.

FRANKLIN VILLAGE Area Day Camp Program Planned for Summer Fun

NITA HARD
MA 6-3221

The Franklin Summer Day camp program is really going in to orbit this year.

Keeping pace with the times, area youngsters attending the day camp will build a life-size model of a space capsule. This is just one of the many exciting arts, crafts and sports activities planned for the 1968 session, according to George Spindler, chairman of the camp committee.

Committee members have been bustling with ideas for the sixth annual program. Last year the camp had an enrollment of 130 children; this year it is expected to be even larger.

STARTING JUNE 24 and running through to August 2, the camp will be held at Franklin School in two three-week sessions with many enrolling for the entire six weeks. Registration forms will be mailed to all area families.

Village merchants are also cooperating and have forms available. W. B. Nunez has been appointed director of the 1968 program. A guidance counselor at Jefferson Junior High in Pontiac, Nunez also ran an army youth center in Germany. More recently he has been a summer playground and community center director in the Pontiac area.

ASSISTING NUNEZ will be Mrs. David Warner, heading the arts and crafts activities. She is an elementary school teacher in Troy. Mrs. Warner was a contributor-participant in past Birmingham Arts Festivals.

Bob Holland will return again this year as athletic director. Mrs. Noeman Naimark of Franklin will be looking for local college students to assume the tasks of counselors. The half-day college students to assume day sessions have provided food training and summer jobs for many in the past. Interested parties should contact Mrs. Naimark as soon as possible.

MR. AND MRS. Calvert Thomas of Franklin Road hope the lilac season will be prolonged till this weekend when they have planned a cocktail party with a real "ain't-life-grand" flavor. The first family of Franklin often times plans a party for the height of the lilac bloom so that friends can collectively rejoice in the prospects of the coming summer.

The Franklin Band has scarcely caught its breath after its considerable contribution to the Franklin PTA Variety Show last week.

Its fans will hear and see them again on May 25 as they offer the opening fanfare for the Little League Baseball opener at 9 a.m. on the village green.

Bill Ellison reports that several band members will be in the orchestra for the Birmingham Arts Festival show in June.

DR. AND MRS. Edwin Kerr of Hersheyvale announce the arrival of their third child, Jeffrey Lloyd, born April 25.

Village president, Calvert Thomas will pitch the first ball at the little league game on the morning of May 25. Detroit Tiger star Al Kaline will be the catcher.

Green thumb artists, remember—the Franklin branch, WNFCA
