Don't overdo. Most of the fatigue in moving comes from two things. Trying to accomplish too much in too short a time, and working too hard at chores you're not used to. Take time to plan and pack for you at nominal cost.

**Library Group's Board Schedules Annual Meeting**

WEST BLOOMFIELD The board of directors of the Friends of the West Bloomfield Library have completed plans for an annual meeting to be held May 24 at 8 p.m. in the community room of the main library on Orchard Lake Road. All residents of the township may attend. On display will be books purchased for the library from proceeds of a used book sale held by Friends. Also exhibited will be its gift of 25 folding chairs for the community room of the library for this year.

THE GUEST SPEAKER will be Henry Moses, secretary of the township planning commission, who will give a progress report on the township master plan.

In recognition of Michigan Week, the Friends will serve punch and cookies to all library visitors from May 20 through May 24. The gesture is an acknowledgment that the library recently became the only Michigan public library to receive the award of merit from the American Library Association, the American Institute of Architects and the National Book Committee for excellence in planning and design.
