

BOAST 7-GAME WIN STREAK

Barons Whip Clarkston, Holly

By RUSSELL HIGLEY
Special Writer

The Bloomfield Barons extended their winning streak to seven straight games last week as they outscored the Clarkston Wolves, 2-0, and bombed the Holly Bronces, 14-3.

John Augusten pitched a brilliant game and went all the way against Clarkston to get his first shutout of the season. He limited the Wolves to only two hits, while striking out 14 and walking only three.

Dick Janz drove in both of the Barons runs in the third and seventh innings.

In the third, Andy Anderson, the lead off man singled, and two outs later Dick Janz drove him in with another single.

IN THE SEVENTH inning at Clarkston, the first man to bat in the inning, Bruce Perkins, hit a single and went to second on a passed ball. Janz then came through with his second single to score Perkins.

The Wolves managed to get only one runner as far as third base and Dick Janz drove in for a second base during the game.

Thursday the Barons trounced the Holly Bronces on home ground with 14 runs on 15 hits.

Augusten came through with the bat as well as on the mound with two triples, driving in four runs. He pitched until the fourth inning when the Barons went ahead, 8-1.

Then Cecil Morgan, left hander, pitched the last two innings. He struck out four, including Dave Todd and Jamie Miller, finish up in that order.

Baron hitters had their best day at the plate this season as Andy Anderson went three for four, Mike Miller two for two, Augusten two for three, and Bruce Perkins two for four.

THE BARONS started their scoring in the first inning when they picked up one run on a single by Anderson, followed by Marshall Scherba's double.

In the third inning the Barons really belted the ball around as they picked up seven runs on five hits. Anderson started the big inning off with a walk, Scherba singled to put runners on first and second, Janz was safe on an error, Miller singled to drive in two runs and Augusten hit a bases loaded triple to drive in three more runs. A single by Jay Debutz, 4 hit batsmen, and an error scored the sixth man, and an error scored the sixth man, and an error scored the sixth man.

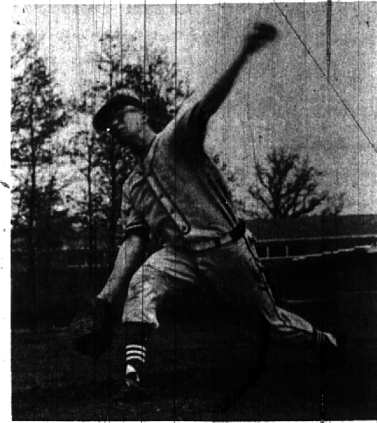

and seventh runs of the inning. In the fourth inning Holly was hit again, this time for two runs. A single by Miller, followed by Augusten's second triple of the game accounted for one of the runs. A hit batsman and fielder's choice scored Augusten from third for the second run.

The Barons added three more runs in the sixth inning on a double by Anderson and three straight singles by Kertaway, Deland and Mike Griffin.

AUGUSTEN HAS had at least one triple in the last three games. Two of them have been with the bases filled.

The Barons have a 7-2 won-lost record so far this season. Right now they have their hopes set on a Wayne-Oakland League championship in baseball.

Today, the Barons met the Milford Redskins at home at 4 p.m. In their last meeting with Milford, the Barons overpowered them, 4-1, with 12 hits, while holding the Redskins to only four hits.

Hoff's Thinclads Upset Cranbrook

The Bloomfield Hills track team pulled a mild upset last week in defeating Cranbrook, 65-4 to 43-4. The Craneps, after placing second in Class B in the Central Michigan Relays, were favored to win the battle between the two Bloomfield Hills schools.

Much of the credit for the victory went to versatile Roger Stewart who took firsts in the high jump, the 100-yard dash and the 220, as well as running on the winning 800 relay team.

TOM HOOPENGARDNER and Stewart tied for first in the high jump with leaps of 5-6.

In the 100, Stewart posted a 10.5 mark and came through with 22.5 in the 220.

Other Bloomfield winners included Ed Calhoun, 48 in the shot put; Pete Vidor, 19-34 in the broad jump; Brian Bish, 11-8 in the pole vault; Hoopengardner, 2:01.2 in the 800; and Jack Armstrong, 8:24 in the 400.

The Craneps captured four first places while the Barons took nine.

CRANBROOK'S firsts included a victory in the mile which saw defeating Cranbrook, 65-4 to 43-4. John Coburn edged the Barons' Bob Richards by about two yards. Coburn was backed in at 4:32.4.

Jess Brewer won the high hurdles in 1:6.2 for the Craneps and Tom Love captured the low hurdles with a 22.8 mark.

The Cranbrook mile relay team of Greg DeRath, Steve Church, Dave Craig and Jack Pully won that event with a time of 3:39.2.

IN A TRIANGULAR meet at Northville Friday, the Barons out-pointed both the host team and Clarencville en route to another victory. The final score was Bloomfield, 84 points; Clarencville, 52; and Northville, 27.

The Barons' best times were posted in the 220 (4:32.2), the mile relay (3:39.4), and in the 440 (at 54.4).

Bloomfield Hills will compete in the regionals at Northville Tuesday night for the Wayne-Oakland League meet.

Performing Pooches

Oakland Kennel Club Prepares Show for Sunday

There's a lot more to a dog show than looking.

With a half dozen dog shows of one sort or another brought to the attention of the casual dog owner each year he sometimes becomes a bit confused as to what it's all about.

He may even feel that with his pooch he may not even be able to put an entry in the various shows.

Earl H. Newman of 6835 Colby Lane, Bloomfield Township, chairman of the Oakland County Kennel Club All-Breed Dog Show Sunday, says this just isn't so.

AMONG THE hundreds of entries at Sunday's affair in the Detroit Artillery Armory, 1000 West 8 Mile Road, from 9 a.m. to 6 p.m., will be dogs that have never been shown before, including some that are the only dogs their owners have—a pet rather than a dog for showing—says Newman.

A pure breed dog may be shown up to three times without the formality of "registration." Registration is the process of filing the dog's pedigree and other pertinent data with the American Kennel Club. The dog is then given a registration number and his name is published in the official reports.

This establishes the fact that the dog is of pure breed and that his name is not duplicated by any other dog of that breed. "No plain Spot" or "Rover" in the records.

International Champion Meridian Queen may be called Regis, and Shamrock Music Master may be called Regis.

A Future Aquanaut?

Sue Smith, 3090 Chickering Lane, Bloomfield Hills, was a triple winner in the Age Group Swimming Meet at Trenton.

Among her feats were firsts in the 50-yard freestyle and the 100-yard backstroke in the 13-14 year-old class and most significant, a first place finish in the Women's Open 100-yard backstroke.

In the latter event Sue was competing with other women, but it did not prove to be too much of a handicap since she had already set a precedent by winning the same event at a Fitzgerald meet April 27-28.

Also at Fitzgerald the youngster set a new state record in the 13-14 girls' 200-yard backstroke with a clocking of 2:44.

SUE, WHO swims for the Pontiac Swim Club, is an eighth grader at Kingswood School (Bloomfield).

She is being tutored by swim coach Ed Dauw, director of Echo Park Day Camp during the summer. While school is in session she will be keeping in practice with swims at Pine Lake Country Club. She has been swimming for four years.

Mean time, Sue entertains the thought of entering the national trials this summer—and who knows, maybe the Olympic team will need a backstroke artist in the near future.

Cranes Clinch Share of Title On Diamond

Cranbrook took over sole possession of first place and was assured of at least a tie for the baseball championship of the Interstate League Saturday by edging visiting Nichols School, 1-0.

The victory over the New Yorkers left the Craneps with a 3-0 league record and 7-3 overall. The team lost to Seaholm, 5-0, on Monday.

John Billeston, senior right-hander, tossed a one-hitter, the third for Cranbrook in league play this season. Dick Mosher, who alternates with Billeston on the mound, pitched two one-hitters earlier this spring.

BILLESTON, cleanup batter, also drove in the only run of the game with a first-inning double, bringing Dave Schultz in from second.

Mosher came on in the seventh to retire the last two batters after Billeston loaded the bases on walks with one out in the final inning. Up until the Seaholm game, the two top hurlers had put together 23 consecutive scoreless innings.

Also last week, Cranbrook defeated Notre Dame, 1-0, behind the three-hit pitching of Billeston.

IT WAS a pitcher's duel all the way until the eighth when Bill Powell connected on a pitch, drove it into right field, bringing Mosher in from second with the winning run.

The Crane tennis team lost to Nichols, 3-2 Saturday after defeating Ann Arbor, 7-0 Friday.

The baseball team will play host to Ypsilanti Lincoln Friday afternoon.

Relay Teams Secure Victory for Falcons

A strong finish by the mile and 880 relay teams gave the Groves track team a hard-earned and much deserved victory over league rival, North Farmington, Thursday.

The Falcons were trailing, 48-3 to 50-3, with two events to go, and according to coach Ray Vavruska, his boys "came through when they knew they had to win both."

Seaholm Second in Waters Relays

The times for the two events were 8:06.1 and 3:53.5.

Coarse, with 27 points, had only one first but made up the difference in seconds and thirds. The prep track and field carnival drew 487 entries from 27 schools.

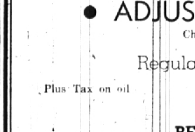

SEAHOLM, the only school entered from this area, finished eighth last year and won the relays the two years before.

The Maples defeated Roseville, 65-14, in their only dual meet last week. Harvey turned in the top performance with 56-2% in the shot put, a school and field record.

On Saturday Seaholm will compete in the regionals at Thurston High School. The squad figures to make its best showing in the shot put, 880, mile run, 440, the 880 relay, hurdles and the mile relay.

The Maples took a fourth place behind the running of Bill Schoen, Dublin, Kennedy and Jamie Dennis in the distance medley relay and tied for fourth in the shuttle hurdles relay with Bateman, Ken Heft, John Kingscott and Stan Cutler.
