

### School Board Plans Report To Citizens

The Birmingham Board of Education and top members of the administrative staff will present a special citizens report on the schools at 8 p.m. Tuesday in the Little Theater at Seaholm High School.

Dr. Otis M. Dickey, superintendent of schools, said the theme of the two-hour session will be "Responding to the Challenge of Improving Educational Opportunity in Birmingham."

After the reports by administration officials, Dr. Dickey will lead a discussion session involving participation by the audience. The reports will get under way after the regular monthly meeting of the board of education.

### Birmingham Woman Is Selected Best Secretary in State

Ms. Lois Gaigas of Birmingham was selected Michigan Secretary of the Year at the 14th annual meeting of the Michigan Division of The National Secretaries Association in Flint, Saturday. She is secretary to John A. Walschko Co., Ferndale.

Mrs. Gaigas was selected by three judges from six finalists. The judges were Guy J. Bates, plant manager of the Grand Blanc Plant of GMC Fisher Body Division; Dr. Lewis R. Fibel, dean of Flint Community Junior College; and Mrs. Robert B. Turnbull, secretary to the late Harlow H. Currier, former president of General Motors Corp. Judges scored the contestants on three points: appearance, poise, and their answers to three questions. The questions concerned possible office situations with which the secretary might be faced, and each contestant was required to state how she would handle the situation.
