Secretaries Raise Funds to Assist University Students

An area resident, Mrs. Floyd Bunt of Bloomfield Hills, was co-chairman of a card party given May 8 by the SOS Club, a group of Oakland University secretaries. The proceeds were used to aid students. The club has assisted several students since its organization two years ago.

Organ music at the party was provided by Bunt. Assisting in planning the event was co-chairman Mrs. Nicholas Steffens of Lake Orion.

The party was held at the university student center.

The University of Michigan was the first American university to have a professor of chemistry, mineralogy and geology, in 1857.
