R. L. Polk Announces Executive Changes

Executive appointments have been announced by R. L. Polk & Co. Alvin Kropf of 685 Hamilton Road, Bloomfield Township, who has served as secretary-treasurer, was elected senior vice president and treasurer. Everett H. Wells of 581 Bennington Drive, Bloomfield Hills, chief legal counsel for the company, was elected secretary.

William H. Beatty, of 1362 Latham, Birmingham, vice president and general manager of Polk's Direct Mail Division, was elected to the board of directors and the executive committee.

Vice-President Succeeded at Adv. Agency

Leo A. Hillebrand, Sr., vice president, secretary treasurer and general manager of MacManus, John & Adams, Bloomfield Hills, advertising agency, has concluded 45 years full-time service as chairman and agency executive. It is announced by Ernest A. Jones, of Bloomfield Hills, agency president.

Hillebrand has requested partial retirement. He will retain his posts as vice president, secretary and director until mid-1964 and his 65th birthday, at which time he has asked that his retirement be made complete.

Hillebrand is succeeded by Harold F. Stephenson, who has been appointed vice president and treasurer. As chief financial officer of the agency, Stephenson will have complete and sole responsibility for all activities and aspects of the treasurer's office.

STEPHENSON, a fourth generation New Yorker, comes to M&A from Outdoor Advertising, Inc., New York City, where he has been treasurer-secretary since 1957.

Previously he was financial vice president-treasurer of the Torsion Balance Co., Clifton, N.J. He is a graduate of the New York University School of Commerce and holds a bachelor of science degree in accounting.

Married and father of two sons, Stephenson and his family will live at 4524 Stoneleigh Drive, Bloomfield Hills.

Director Is Appointed by Fisher Body

Bart Cotter, 1915 Rathmor, Bloomfield Hills, has been named general director of all Fisher Body Central engineering activities.

Cotter worked as a draftsman for three different auto companies from 1928 to 1936, at which time he joined Fisher Body as an engineer in the mechanical parts engineering section in Detroit.

HE WAS promoted to design supervisor in 1939, and in 1941 to assistant mechanical parts engineer. He was transferred to the Grand Blanc plant in 1942 as chief engineer of 47 gun mount, and in 1943 to the tank division in Detroit.

In 1945 he was named chief product engineer of the central engineering division and promoted to assistant chief engineer in July, 1949. During the Korean conflict, he was chief engineer of the Fisher Grand Blanc tank plant.

He returned to the General Offices as assistant chief engineer in 1953, and four years later was appointed chief engineer.

Medical Care Begins With You

In time of sickness you want—and demand—the best of care. But do you know that much of this care must come from yourself?

Two many people consider that a doctor's advice is something to be taken or ignored—depending on how they feel at the moment. These people do not receive the fullest benefit from their physician's attention.

Care begins when you conserve your strength and follow your doctor's orders. Keep him accurately informed about your condition; take your medicines according to directions; and follow his instructions carefully. By so doing, you become a good patient, one who gets the greatest possible benefit from the care he receives.

Bring your doctor's prescriptions to our Pharmacy to be filled by our highly-skilled personnel.

Gas Yard Light

SPECIAL OFFER SAVE \$20.00

ON INSTALLATION FOR LIMITED TIME

Again, as in the Gay 90's, the soft, mellow glow of gaslight has found widespread popularity. And it's no wonder when you consider all its advantages! The gas yard light is decorative... it sheds its golden light over lawns, patios and pools for nighttime relaxing or entertaining. It helps guard against unwelcome intruders. Homeowners like its dependability too... its unfailing source of outdoor illumination. In addition to being highly decorative, useful and dependable, gas yard lights are economical to operate and simple to maintain.
