

# Sophomore Fun Night Held at Bloomfield

By NANCY WEISSNER  
Special Writer

Wolfe, Joan Carter and Sue Frazer, refreshments.

A sophomore Fun Night was held in the Bloomfield Hills High School gym on Friday evening, May 24. Basketball, volleyball, badminton, trampoline and dancing were on the agenda. According to Greg Lau, chairman of the committee, the evening was a "great success." Over 100 students attended.

Other committee chairmen were George Sasse, tickets; Peg Wolfe, publicity; and Sue Sweeney, Peg

**THE FUN NIGHT** was the sophomore's last activity of the year. Proceeds from the evening will go into their next year's junior class treasury.

The BHHS band presented two concerts on Wednesday, May 22. The 62-member band, under the direction of band instructor Mr. Wayne Tilton, played at Bloomfield Hills' two junior high schools. The band students were guests at

an East Hills Junior High School assembly in the morning, and at Bloomfield Hills Junior High School in the afternoon. This was the first time the group had played at either of the two schools.

The program included a march, folk songs and highlights from the Broadway musical, "The Sound of Music." "Bugler's Holiday" featured the band's cornet section, and a trio presented Louis Armstrong's "Dixieland Festival."

The trio was Craig Halverson on the clarinet, Lloyd Utterback on the cornet, and Robert Aten playing the trombone.

MR. TILTON hopes the band's performance will be entertaining to the students, but encouraged them to take up or continue their instrumental music instruction.

Dr. Lawrence Eklund, professor at Oakland University, was guest speaker at an all-school assembly held on Friday, May 24.

Dr. Eklund, who is director of job placement and in charge of continuing education at Oakland University, spoke to BHHS students about leadership. He encouraged participation in clubs and stressed that every club should have a specific goal or purpose.

Twelve BHHS students had attended a leadership council at the university on April 22 where they heard Dr. Eklund speak. He was invited to be guest speaker at the high school to give the students information on clubs and leadership.

After several days of competitive try-outs, BHHS' 1963-64 varsity cheerleaders have been selected. They are Patricia Lack and Christina Potts, seniors; and Barbara Deeb, Debby Martin, Starr Merrill and Barbara Calhoun, juniors; with seniors Marsha Thompson and Kim Kelso as alternates.

This group is completely separate from the junior varsity cheerleaders announced previously, but they are judged on the same basis.

## Madrigal Choir Presents Concert

Seashore's Madrigal Choir concert was held Monday in the school's Little Theater. A variety of songs were featured, including French, English and German numbers of the 16th and 17th centuries. Some modern songs were included in the program.

Members of the Madrigals include Denise Dunn, Chris Bergland, Rachel Weaver, Candy Adams, Judy Steere, Karen Sigler, Claudia Kessler, Marilyn Mitchell and Chris May. Also Chuck Holtz Sutherland, Jere Stone, Jim Wortley, Frank Harter, Ed Champlin, Chuck Lee and Scott Woodman.

The baseball verse classic, "Casey at the Bat," was written in 1888 by Ernest Lawrence Thayer.

# Brother Rice Plans For 1st Senior Class

BY JOHN MCGUCKIN  
Special Writer

Brother Rice students, like most students in Catholic high schools, are now completing their last days of school. Monday, Tuesday and Wednesday were devoted to the administration of final examinations.

Final tests are rather unique in that they are made up in and sent out from New Rochelle, N. Y. The sole exceptions to this rule are

the chemistry, French, and religion finals. These are made up by the individual teachers at Brother Rice. New Rochelle is the center of the American province of the Christian Brothers of Ireland. For this reason the exams are commonly referred to as the "provincials."

IN THE FINAL week of classes, activity at BHHS increased as activities ended for this year and plans were made for next September.

## Honor Pins Given To Top Students At B'field Junior

BY MARCIA MOYER  
Special Writer

Bronze pins were presented to 10 seventh graders at the annual Honors and Awards assembly on June 5. Molly Hall made the presentations.

Twenty-three eighth graders received the silver pin. These awards were presented by Cheryl Marsh. Gold pins were awarded by Jane Fox to six sixth graders.

Sixteen students who have received all three awards were presented with the gold pin and guard. These awards are given to students for excellence in scholarship and citizenship.

THE "SHOE" award was given to the most outstanding boy and girl in the ninth grade class on the basis of student leadership while in the junior high school.

The Peter McClrath award was presented to the most outstanding student council member.

At this assembly the "Twelve Titans" and mixed choir performed and Vicki Campbell and Kathy Schmale played a piano duet.

Newly-elected student council president Bob Calhoun was installed in office by retiring president Gary Hayes.

The ninth grade class will have its "Farewell Party" on June 17 at the Birmingham Athletic Club. The ninth graders can swim, dance and play tennis at this final get-together before going on to high school.

Next September Brother Rice will host its first graduating class. Traditions, standards, and precedents must be set for future generations. In this connection this year's juniors and seniors were fitted for the class ring and the senior blazer.

The jacket will sport the school crest on the pocket. The crest, recently designed by Brother J. A. Grimaldi, features an Irish cross, surrounded by the high school's motto, "Sanctitas Per Scientiam."

Twenty-one Brother Rice juniors will participate in the Marian Model UN to be held next fall. The students, moderated by Brother E. D. McKenna, comprise seven delegations ranging from Communist Czechoslovakia and Cuba to neutral Guinea to western Dominican Republic.

THE BROTHER Rice golf team ended its first season with a spotless 7-0 win-loss record. Coached by Brother D.D. Crimmins, the team was the runner-up for the Catholic League championship.

Second only to also unbeaten Austin, the six-man squad placed the first trophy in the B.R.H.S. trophy case.

The team is composed of Dennis Campbell, Andy McGuire, Ken Skover, John Westhouse, Tom Hopkins, and Jack O'Hara.

Coach Paul Malone's track team barely missed duplicating the golf team's achievement by handing in an undefeated season. The spoiler of the perfect record was St. Alphonsus, who beat the Warriors in a close 57-52 meet. The Warriors' pride was somewhat healed by an 84-25 trouncing of St. David's.

The thinkers are, however, looking forward to meeting in the Catholic Regionals on June 8.

## First Prize Won By Barnum Float

By BILL COLLINS  
Special Writer

In the Birmingham Michigan Week proceedings, the Barnum float took first place in the parade. The float was in the form of a large apple and was awarded first prize by the judges. It was designed and built by the Barnum art department, and congratulations are due to them for this fine accomplishment.

Another Michigan Week activity

held at Barnum was the essay contest sponsored by the student council. The essays had to be about Michigan, and were limited to 400-700 words.

Entries were judged by English teachers from other schools in the system. First place was awarded to Janet Gougeau; Second place: Martha Jean Payton; third place, Phoebe Hunter. Honorable mentions were given to Carol Collins, Jane Dickson, and Margie Howell.

AN ALL-SPORTS Recognition Night was held at Barnum on the night of Friday, May 31. All ninth grade boys who participated in sports of any kind were given a certificate. The boys' fathers were invited to the proceeding.

In late May, the Barnum library closed for the last time this year. Students were not allowed to take out any more books, although rented books were still being returned. The Barnum library has prospered this year under the direction of our new librarian, Mrs. Sharon.

The eighth grade English class of Mr. Staron attended the Oakland County Choral Reading and Speaking Festival on May 10. The class presented readings of "The Turtle and the Flamingo" by Field, and Tennyson's "Charge of the Light Brigade."

# HOW'S THIS FOR OWNER SATISFACTION?

**91.3 PERCENT OF '63 CHRYSLER OWNERS INTERVIEWED BY A NATIONAL MAGAZINE† SAID THEY WOULD BUY CHRYSLER AGAIN. IT'S BEEN EIGHT YEARS SINCE ANY CAR WAS SO WELL LIKED BY THE PEOPLE WHO BOUGHT IT.**

Why? Riding comfort. Handling ease. Power and performance. Clean, crisp styling. These things were named after a total of 1,297,466 owner driven miles, as the outstanding reasons for this overwhelming approval of the '63 Chrysler.

The 6-year or 50,000-mile warranty—America's longest new-car warranty—is the deciding factor for many owners when they were choosing between a '63 Chrysler and other medium-priced cars.

If you haven't driven a Chrysler recently, why not take an hour soon, and give a '63 Chrysler a thorough going-over. You'll find your Chrysler dealer's deal will be just as favorable as your rating of Chrysler.

\*Your authorized Chrysler Dealer's Warranty against defects in material and workmanship on '63 cars has been expanded to include parts replacement or repair, without charge for required parts or labor, for 6 years or 100,000 miles, whichever comes first on the engine block, head and internal parts; transmission case and internal parts (excluding manual clutch); torque converter, drive shaft, universal joints (excluding self-cover), rear axle and differential and rear wheel bearings, provided the vehicle has been serviced at authorized intervals according to the Chrysler Certificate of Care schedule. (Name on request.)
