

THIS SATISFIED CUSTOMER SAYS:

"I like the friendly service at Chase Cleaners, and the way all our clothes are cleaned. My husband especially likes the little things that count, such as the tissue tucked in the sleeves of his suit coats, and the padded hangers. His shirts are finished to perfection, too."

Lovely Fostoria crystal pieces are gifts we know young mothers love and keep. Probably the most important reason is the practical, modern styling. Or, is it the clear, luscious crystal itself that's so popular? Extra beautiful because it's all hand-blown or hand-molded by Fostoria. Give the gift that will be used and used (with loving pride). See our wide variety of lovely Fostoria handmade crystal.
