

New Cobra Car on Display

Dick Turner, general manager at Harold Turner Inc., 464 S. Woodward, Birmingham, poses with the new AC Cobra sports car which is powered by Ford and has an aluminum body built in England. Only a few of these cars have been manufactured so far, and this showing is one of the first in the metropolitan Detroit area.

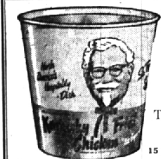

Southfield Nursing Home Opens June 20

The new Southfield Nursing Home, 20051 Laber Rd. at 10 1/2 Mile Road, will be opened for patients and guests, Thursday, June 20, by Dr. Harry C. Saltzstein, president, announced this week.

Plans joined together for the initial planning stages. The nursing home is located on 6 1/2 acres of scenic land and is designed to provide care for its residents on an individual basis.

Dr. Saltzstein is president of the nursing home. Other officers include Eugene Arifield, James Wineman and Lew Wisper, vice presidents; Dr. E. N. Rottenberg, secretary; and Maurice Aronson, treasurer. Other sponsors include Mrs. Beatrice Levitt, Emanuel J. Harris, Henry J. Moses, Dr. S. H. Scheinberg, Paul Zimserman, Tom Boran, Abraham Horman, Dr. Herbert Bloom and Arthur Q. Davis.

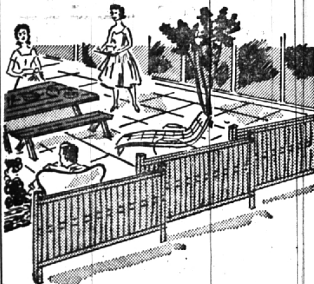

Some foods may be seasonal, but well-balanced meals shouldn't be. Eat a variety of foods in just the amounts you need, the Michigan Heart Association urges.

Behind The Store Fronts

A week of carnival entertainment is set for Bloomfield Plaza Shopping Center, Telegraph at W. Maple, starting next Monday and continuing through Saturday. A Ferris wheel, merry-go-round, kiddie rides and other attractions will be in operation for a summer fun week for children and adults. Special reduced rate tickets will be available at the sponsoring plaza stores.

We quite often note in this column the arrival of new businesses, new personalities to the Birmingham scene... and sometimes, with a twinge of regret, we tell of departure plans of old business fronts.

And speaking of the Harold Turner dealership, a new modernized reception center... and the visitor drives his car in the service entrance.

With ANGUS MCKELLAR

evening, the same jobs were performed by Bob Kilpatrick (of Michigan Bell Telephone) and Art Shafer (of the Birmingham Eccentric).

Dick Turner, of Harold Turner, Inc., was one of the 23 Ford dealers who were recently hosted by the Ford Motor Co. with a trip to Bermuda. The 23 dealers were top sales winners in the Detroit district which is comprised of some 140 dealers.

The Oakland Chapter of the Michigan Society of Professional Engineers toured the International Salt Company mine on June 13.

Members and their guests met at the mine located at 12841 Arrandergers, Detroit, at 5 p.m. Arrangements were made for dinner after the tour.

The Oakland Chapter consists of over 100 registered professional engineers who work or reside in Oakland County.
