**THE ENVIRONMENT** of Athens is, on the surface, prosperous in appearance, although its leaders will emphasize that, overall, it is poor.

AT EVERY STOP we were shown the ruins of ancient civilizations that had, for varying periods of time, "came and conquered" then in return were similarly treated by enemies.

**Beverly Council Tackles Water and Sewer Problems**

By KAY SMITH  
Special Writer  
BEVERLY HILLS — Sewers, water and money dominated the council meeting Monday in keeping with the hot July weather.

THE MAINS were planned as part of the new South Berkshires water system now under construction, but Pulte installed them before Coolidge Excavating Co. had reached that section.

THE COUNCIL decided to reimburse Pulte, limiting the amount to the least of these alternatives:

THE COUNCIL ALSO hinted he might seek to have the case tried in another court. The defense would ask for the trial to be held in a more widely-spread publicity the case has received.

AT ITS NORTHERN end, the Jordan River empties into the Sea, near the former ancient city of Capernaum. On one of Jesus' travels He spoke at Capernaum, which was a counter-part of Sodom and Gomorrah.

THE TAPS would service the company's station on the northwest corner of 13 Mile Road and Southfield.

THE COUNCIL agreed to the taps with the provision that all plans and work must be approved of the village engineers and that all costs be borne by Standard Oil.

THEY REPORTED that Sections 1 and 2 have same critical areas where lack of cleaning and repairs are affecting the efficiency of the system.

EGYPT'S NASSER is a sworn enemy of Israel, as are Syria, Jordan and Iraq. However, Israel proclaims its ability to defend itself against invasion, as its leaders declare that, at last, the land of their fathers is now returned to them.
