

St. Owen's Church Marks First Year

The first anniversary of the founding of St. Owen's Catholic Church in Bloomfield Township was celebrated June 27 by the parish's 1,600 members.

Fr. Walling told St. Owen's parishioners that while everything for the parish has not yet been done, enough of a start has been made during the first year to firmly establish the new church in the community.

By His Excellency John F. Dearden, archbishop of Detroit.

The rectory and parish administrative offices were completed last February.

Fr. Walling told St. Owen's parishioners that while everything for the parish has not yet been done, enough of a start has been made during the first year to firmly establish the new church in the community.

IN ADDITION to the two new buildings, an extra Sunday Mass was needed last December to take care of the growing number of parishioners. Sunday Masses are now held at 8 a.m., 10:30 a.m., and 12 noon.

Fr. Walling said two more religious instruction classes will be added in September, bringing the total to seven.

The year-old parish named in honor of St. Owen, a nobleman, monk, counselor of kings and Bishop of Rouen, France, during the seventh century.

ST. OWEN'S building program officially got underway with ground breaking ceremonies for the new 525-seat church on July 15, 1962.

The first Mass was held in the combination church and social hall last Dec. 19, which was officiated
