CUSTOMER-CONSIDERATION COMES FIRST

# Cellophaned? No!

Prime beef has a velvety, yielding texture, a rich color, and a slight aroma that stand for quality stock, naturally aged. In conditioning beef, we use no tricks to hasten only what time can accomplish. There is no such thing as "cheap" beef. It's a pacessary luxury, for a good meal, and a well-balanced diet. So when beef is to be your dish, get the best; we have it! Standing rib or rolled roast—Rump roast—Pet roast—Steaks of all kinds—and inexpensive Ground Beef, that's absolutely ALL BEEF AND NOTHING BUT BEEF.
