This family never runs out of hot water! Washing dogs, diapers or dishes... cleaning walls or windows... there's always plenty of hot water in this house. How come? We figured out just how much hot water they use, then installed an American-Standard water heater that's performance-rated to supply all they need, even on busy washdays.

Off to the Woods

Loded to the top for high adventure in the wilds of northern Minnesota and Canada is Franklin Explorer Post 1011. Twenty boys and three leaders left last Monday morning for a 16-day canoe trip. They spent 10 days exploring streams and lakes on foot and by canoe. Troop Committeeman Ray Adams is shown packing one of three station wagons which carried the gear and boys to their destination.

YMCA Helps Residents

During the past year the YMCA of Metropolitan Detroit has helped 756 residents of Birmingham, 86 from Bloomfield Hills, two living in Bloomfield Township and 26 residents of Beverly Hills.

A woman who hadn't gone past the second grade took English grammar at the YW so she could write to her college-educated son in the service.

A Japanese war bride went to the YW for a swimming lesson and found a staff member who could speak Japanese.

THE YW helped a housewife who cried every time anything went wrong; she's happy and busy now.

"Ladies day out" has become a popular feature of the YW program. Young married women are given an opportunity for intellectual development, are encouraged to keep fit and to welcome newcomers.

America's "professional buyers" agree...

Going OLDS is the Going Thing!

The men who buy cars for business fleets are professionals with a sharp eye for value. That's why so many of them specify Oldsmobile. In fact, latest available registrations show Oldsmobile fleet sales up more than 40%! Reason: Oldsmobile's reputation for exceptional "built-in" reliability. Reason: Oldsmobile's Rocket performance and economy—a Dynamic 88, topped its field in this year's Mobil Economy Run. Reason: Oldsmobile's traditionally high resale value—one of the highest in the industry. Come to think of it, aren't these the attributes you want in your next new car?
