By LOUISE N. KRAEMER

The Beverly Hills Athletic Association's annual family day held on July Fourth was a success. Over 200 people the played the games and swam.  
Mr. and Mrs. Harlan Hanson on Dunblaine, as chairman of the committee, planned events for all age levels starting at two p.m. and lasting more than an hour.  
The small children, up to four years of age, enjoyed a "candy scramble".  
Foil wrapped candy was tossed into the wading pool and the children who gathered there the most were awarded small boats.

**THERE WERE** "penny diving" events for the five to seven age group, who won blue ribbons, tickets to the Birmingham Theatre and got to keep the pennies.  
Also, the eight to ten group were awarded blue ribbons and tickets to the Birmingham Theatre.

4TH OF JULY PARADERS

Girls and boys from 11-14 participated in the "dungaree dip".  
Clothed in dungarees the girls dove in, swam the width of the pool and changed places with the boy partner who swam back.  
Prizes to the winners consisted of tickets for torpedo sandwiches and cokes.

**BOYS** from 15-18 played "watermelon touchdown" with a greased watermelon.  
They swam from the deep end to the shallow end with the melon and the boy who brought it up over the edge won the game and the Melon.

Girls in the 15-18 age group engaged in a "spoon race", swimming the length of the pool holding a ping pong ball in a tablespoon between their teeth.  
A box of candy went to the winner.

A king size carton of Cokes was awarded the winner of the "three legged race" for women from 19-33. They walked from the shallow end to neck depth and returned.

**THE MEN** from 19-33 also participated in a "watermelon touchdown" from the deep end to the shallow end and out. There was more activity on this one than the watermelon could take.

Following the games and races came the softball game for fathers and sons, then swimming for all.

A "teen night" is being planned for Wednesday at the pool. Mr. and Mrs. Kenneth Holloway and sons Paul and Kenneth Jr. on Churchill Drive in Huntley spent the past two weeks traveling through Ohio, Missouri and Arkansas.

They visited friends, relatives, played golf and swam.

**MR. AND MRS.** Ed Hamm and Mr. and Mrs. Phillip Pilibosian planned a "get-acquainted" party for new neighbors in Huntley on June 29.

The party was held at Sylvan Glen Inn and Golf Club with some 60 people attending.

The annual Fourth of July parade and picnic of the Greenfield-Beverly Hills Improvement Association was a success and a feather in the caps of the hard working committee members.

There were over 200 participants in the parade in the
