By ELEANOR NELSEN

The Westchester Women's Club, which began its calendar year in June, held appointments of new board members at that time.

President for coming year will be Mrs. Raymond Reid; vice president, Mrs. Albert Kiefer; secretary, Mrs. Ruth Merritt; treasurer, Mrs. James Graham.

Others serving on the board will be Mrs. Albert Peifer, membership and hospitality; Mrs. Leon Jacobson, publicity; Mrs. John Wait, parliamentarian; Mrs. Mrs. Tommy Shannon, youth activities; Mrs. Edward Collins, telephone chairman; Mrs. Ronald Filter, social services; Mrs. Fay Knapp, historian; Mrs. G. P. Davey Jr., knitting.

PAST PRESIDENT of the group is Mrs. Robert Meas.

On Wednesday the women met for lunch at the home of Mrs. Raymond Reid on Farmingdale Drive and had a discussion of a program for the coming year.

The organization holds four general meetings during the year. Mr. and Mrs. William Klinger of Bradford Drive left on June 18 to drive to St. Petersburg, Fla., to attend the wedding of Mrs. Klinger's niece, Miss Julie Hellman.

Traveling with them were three children, Scott, Phyllis and Betty Lou.

They drove through the Smoky Mountains before returning home last Monday.

PAT SOKOL, daughter of Mr. and Mrs. Henry Sokol of Middlebury Lane, is attending summer classes at Michigan State University.

Pat is taking a course in fine arts in preparation for teaching in elementary schools.

A get-acquainted coffee for the members of St. Cecilia's Guild of St. Regis Church was held on Tuesday at 10 a.m. at the home of Mrs. Frank Kent, 3519 W. Bradford Drive.

A resume of the Altar Society board meetings and future activities were discussed.

BERKSHIRES

The James Harrington family of Old Mill Road recently returned home after a nine-day vacation at Indian River.

The R. E. Reason family, also of Old Mill Road, were in the same vicinity at the same time.

House guests at the home of the Edward Talbert family on Lincoln Drive were Mrs. Talbert's parents, Mr. and Mrs. Walter Bennett from Du Bois, Pa.

After visiting a week, they left last Wednesday, taking with them Barry Talbert, their grandson, who will spend most of the remaining summer at their home.

The Fourth of July was "couple's day" when the Talberts, Mr. and Mrs. Victor Mould, Mr. and Mrs. Fred Betz and Mr. and Mrs. Joseph Henley spent the day golfing at Spivan Glen in mixed foursomes.

THEY THEN returned to the Talbert home for a picnic supper. The couples became acquainted through membership of the Newcomers Club.

A family picnic was the scene at the James Bostwick home held in celebration of the Fourth of July.

Present to join in the festivi-

ties were Mrs. Bostwick's mother, Mrs. Helen Carney, her brothers, George Carney and Raymond Carney and their families, and a sister, Mrs. John Kelly and her family.

From Trenton, N. J., came Mr. and Mrs. A. J. Palmer, an uncle and aunt who were house guests for a few days.

ONE MEMBER of the family not present was their son James who is with the armed services in the Philippines, but whose presence was felt by pictures he had sent home from the island.

Mr. and Mrs. Bostwick recently spent a few days in the Travlers City area golfing and vacationing.

CRANBROOK-MAPLE

To be able to attend the Brookline Open Golf Tournament in Massachusetts was an "aim" of Paul LaVrakas, son of Mr. and Mrs. John LaVrakas of S. Williamsbury Road.

Paul, an ardent golf fan and a golfer himself, was able to achieve his desire.

He was joined a week later by his mother. The two of them will spend several weeks at Cape Cod with Paul's maternal grandparents.

Mr. LaVrakas is holding down the home front.

Later in the summer he will be spending two weeks in Washington, where he will fulfill his duties as an officer in the Naval Reserves.

HAS ANYONE in the Cranbrook-Maple area sighted an unusual and rather frightening appearing creature?

It could very well be an iguana, a member of the lizard family.

Harmless to humans it plays havoc with foliage.

If your flowers have suddenly been leveled and there seems to be no apparent reason for it, it could be the work of the iguana.

It's presence began with the return of a college fellow whose fraternity brother thought it a great joke to place them in the rooms of his buddies at school.

Disposal of them brought about somewhat of a problem so many of the fellows brought them home "just for fun."

Before the iguana in this area could be taken care of properly, it escaped its cage and is now roaming around. If sighted—well use your own judgment on its disposal.

WESTCHESTER

Independence Day wasn't the only thing celebrated at the home of Mr. and Mrs. Dominic Januzzi Sr. of Farmingdale Drive on the Fourth.

It was also young Robbie's birthday.

A family party with about 25 members present made it quite a day with a buffet served in the early evening hours and the evening climaxed with a fireworks display.

One of Robbie's sisters and her husband had recently returned from a trip to the east and brought them home especially for the birthday party.

The gift most treasured was a baseball suit donned early in the morning and worn until bedtime, appreciated because Robbie is a Little League baseball player.

It was a gift from his parents.
