

# Yankees, Cubs Capture B'field Baseball Titles

The Yankees and the Cubs are the champions of the Bloomfield Baseball League.

In the American League, the Yankees, first half champions, the White Sox, last week and overpowered them 10-0. It was a combination of good pitching and fielding that enabled the Yankees to win it going away.

Ted Studebick and Jerry Roach shared shutout honors in the pitching department and David White and Roach led the Yankee attack with home runs.

EARLIER THE White Sox had nosed out the Yankees for second half honors as the Tigers tied the Yankees in a crucial game.

Monday the Cubs proved their superiority in the National League by taking the championship game from the Pirates, 9-0. The Cubs' fielding was always steady and many times excellent, a major factor in their championship play.

The second half ended with the Cubs and Red Legs tied for first with 6-1 records. In the playoff game, the Cubs overpowered their opponent on two homers by Doug

Souther. Joel Hipps had a bases-loaded home run for the losers.
