Boys Complete Six-Week Summer Swimming Class

By ELIZABETH YATES
MI 6-1682

Long before spring Thomas Colley of Parkman Drive had an idea that he felt would benefit a group of area 11 and 12-year-old boys.

He knew they were swimmers—but how good was the question! He in turn called the boys' fathers to see what they thought of a six-week summer swimming class for the energetic group. The response was unanimous, so plans got underway.

Colley talked to the swimming coach at Seaholm High School and selected swimmers Scott Kriesel

and Dennis Rosema to head the summer program.

THE BOYS have been alternating their lessons between Kern Lake on which the Colleys reside and the Willard Stouffer pool on E. Square Lake Road.

Saturday was the grand finale. Better swimmers with bigger muscles after the hours of practice and calisthenics were Peter Colley, Steve Hubbard, Tim Wright, Tom Biehl, John Yates, Steve Stouffer, Mike Oviat and Bruce McConnell.

The Raymond Foxes and sons Bob and Jim of Oakhill Drive are looking forward to the arrival in

August of a Finnish student, Tommi Kilbreg of Helsinki.

TOMMI sponsored through the Michigan Council of Churches, will be living with the Fox family while he completes his senior year at Seaholm High School.

Jim will be a junior at Seaholm this fall while Bob will be departing for Albion College for his junior year in September.

The Foxes have been corresponding with Tommi and his family since June. After his arrival they plan to take him on a trip to Niagara Falls and Stratford, Ont. The Raymond Foxes joined the Ralph Willards of Minneapolis, Minn., at Rockford, Ill., the half-way point for each, a weekend recently.

Visiting the Fox family last weekend were the Eric Jensens of St. James, Minn.

THE SETH Thomas Foremans of Kentwood Road journeyed to Le Monte, Pa., for a family reunion of the Seth Thomases in July.

On their return they took daughter Susan to Camp Cavell for two weeks of camp life.

Daughter Sara Jane has been spending the summer working at the Old Orchard Inn at Glen Lake. She will be returning to Central Michigan College for her junior year in September.

A trip to Indianapolis is slated for August. There they will visit their son, Seth Thomas IV, and grandson, Seth Thomas V.

THEY ARE taking a photograph received at the family reunion by their grandsons. It is of his great-grandfather, Seth Thomas, who not only was famous for clocks but was also the Williamsport, Pa., mayor in 1908.

Enjoying cottage living at Castle Park near Holland, Mich., for the past two weeks were Dr. and Mrs. Charles Krecke and children Karl, Paul and Kathy of S. Reading Road.

Joining them on the vacation was Mrs. Norma Krecke of Detroit, mother of Dr. Krecke.

Couple Returns from Tour of Europe

By ELANOR NELSEN
MI 7-0656

Touring Europe for a month ago Mr. and Mrs. Robert Sias of Timber Ridge Drive ample time to see a great deal of the various countries.

They left on a chartered flight from Post 166 of the Canadian Legion from Windsor, Canada. Arriving at Frankfurt, England, they went on to London where they acquired a car and drove up to the Midlands, Mrs. Sias's former home.

After spending a few days in the surrounding countryside they went to Nice, France, where they got another car and went to Antwerp and the Riviera. After several days there they went next to Allisio, Italy. Their next destination was Strass on Lake Maggiore.

SWITZERLAND was the next country they visited. They spent several days at Interlocken and Lake Lucerne.

Brian, Zurich and the famed Matterhorn were the next areas viewed. The Black Forest and the Rhine were also on their itinerary.

After visiting Mainz they went on to Luxemburg and then back to Paris, after which they flew to London and home July 19. Although Mrs. Sias had returned to her homeland several times and Mr. Sias had been to Europe before, this was the first time they made the trip together.

THEY ARE expecting many treasures to arrive which they acquired during their trip. Wood carving from Switzerland are the ones they are most anxious to see again.

House guests at the Richard's home on Timber Ridge July 15 through July 19 were Mr. and Mrs. Robert Patterson and their children.

The Patterson's are from Philadelphia, where both families became friends when the Richard's resided in the East. A patio party was held in their honor on July 18.

ANOTHER "patio party" took place at the home of Mr. and Mrs. Robert Wozick of Timber Ridge on July 20.

The purpose of the party was to introduce new neighbors while entertaining old friends. Cocktails and buffet supper were served to approximately 20 couples, after which the group danced under the stars.

When Mr. and Mrs. Michael Wilhelm of Windham Lane took their trip to North Dakota with their children recently, they were also accompanied by Mr. and Mrs. Edward Stahl of Dearborn and their three children, Carol, Kay and Michael.

THE ANNUAL bowling meeting of the Westchester Women's Club will be held next Thursday at the home of Mrs. William Coney, 3154 Seville Lane at 8 p.m.

Leagues are being formed that will include both new and established bowlers.

All bowlers, either regular or substitutes, are invited to attend the meeting. The league will bowl on Mondays at the Birmingham Bowl on Hunter.

Probable starting hour will be 12:30 p.m.

NEWLY ELECTED to the board are Mrs. William Coney, president; Mrs. Dale Grovert, vice president; Mrs. Robert Heeler, treasurer; and Mrs. Charles Wozick, secretary.

On June 20, Mr. and Mrs. L. A. Habre of Valley Springs Drive hosted a cocktail and dinner party for nine couples.

They had lobstered flown in from Boston for the occasion and also served clams.

After partaking of the delicacies, the guests enjoyed a "sing-along" featuring Mitch Miller's orchestra and danced.

Present were Mr. and Mrs. Chester Bowie, Mr. and Mrs. Morley Bricker, the Arthur Donohys, Mr. and Mrs. Alexander Perloff, Mr. and Mrs. Robert Shegal, Mr. and Mrs. Edward Hufnagle, Mr. and Mrs. W. G. Tomlinson and Mr. and Mrs. Joysey.

THE HARBLES and the Brickers recently returned from a three-week trip to Japan, where they spent one week in the interior of the country, one week in Hong Kong and the remainder of the time in Hawaii.

Mrs. Harble has promised her friends that when the weather becomes a bit cooler in the fall, she will entertain at an oriental party.

If the custom was to name our homes such as people do boats and summer cottages, Dr. William Brown and his wife Dottie of S. Cranbrook Cross feel that "Grand Hotel" would be a suitable title for their home.

LAST AUGUST when their daughter Cherie became a bride, their houseguests enjoyed themselves so much that many are returning for another visit this year.

Flying in from New York City
