

FOR "LIVELY ONES" ON CAMPUS

Take along one of these new 1964 General Electric Phonos or Radios and you'll be like with it all the time. They're great to look at, fine to listen to, and guaranteed not to "wipe out" from hard usage.

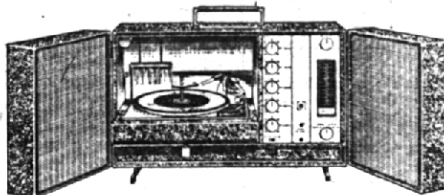

TRIMLINE 300

Here's modern styling in a vinyl clad steel case with four speakers. Features the new tonal I arm for record protection and better tracking. Diamond stylus, of course.

\$109⁹⁵

ADVENTURER

Unique design embraces AM/FM FM stereo tuner and flip down changer all in one unit. Has two 8" woofers and two 3" tweeters with electronic crossover. New tonal I arm and Stereo Star also included. The ultimate in a complete high quality portable.

\$219⁹⁵

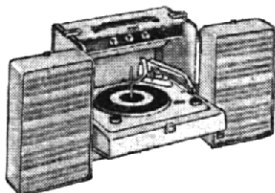

DUALARAMIC PARTYMATE

Perfect for compact stereo reproduction at a low price. Has two 4" speakers in a detachable lid that reproduces sound on same principle as Hollywood Bowl. Plays all sizes and speeds automatically.

\$59⁹⁵

1963 MODEL CLOSEOUT

This was such a good closeout buy at the factory that we couldn't resist bringing you the savings. Vinyl case on steel, two 6 1/4" Speakers, 4 Speed changer with 9" turntable, and dual channel stereo amplifier. You've got the whole works for only

\$74⁹⁵

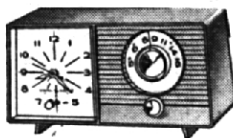

PORTABLE FM

For serious type FM listening, where tone quality really counts. Eleven high quality transistors and three diodes give tremendous range on both AM and FM. FM features whip antenna and AFC. Plays 600 hours on standard flashlight batteries.

\$87⁹⁵

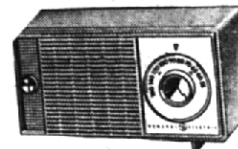

CLOCK RADIO

This low price beauty will wake you to music and give you the time of day and all that jazz for only . . .

\$15⁹⁵

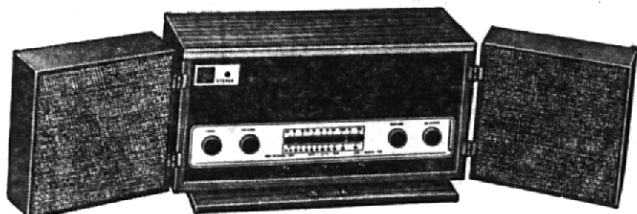

TABLE RADIO

Good basic equipment for news and sports and stuff. G.E. Dyna power speakers, and push-pull, on-off volume control gives this set quality you'll enjoy.

\$14⁹⁵

AM-FM STEREO

If your campus pad is within range of FM stereo broadcasts, and you've been saving your loot all Summer—you'll want to go first class with this set. Handsome hardwood cabinet with nine tubes and seven rectifiers gives sparkling performance through both speakers on AM, FM and FM stereo.

\$89⁹⁵

TRANSISTOR RADIOS

You say you want a tiny transistor set, or is it a big one? Or maybe medium sized? Five? Six? Seven? Eight? More than Eight transistors? You name it, we've got it. A complete range of sizes, styles and prices.
