

Mrs. Romney Will Speak At GOP Kick-Off Meeting

Michigan's First Lady, Lenore Romney, will be the featured guest when the Republican Party of Oakland County holds its special kick-off meeting of the Neighbor to Neighbor Drive, according to Charles L. Lyle, GOP County Chairman.

The meeting will be held at the Community House, 380 S. Bates, Birmingham, at 8 p.m., Wednesday.

More than 300 finance volunteers from all over Oakland County will gather at the meeting to hear and meet the wife of Republican Gov. George Romney who lived in Bloomfield Hills before moving to Lansing as Governor last January.

With Mrs. Romney will be Mrs. Elly Peterson, vice-chairman of Michigan's Republican Party.

The Republican effort for broad base financial support.

"Since the Republican Party is a citizen's party," she continued, "we rely on individual contributions to provide operating expenses for the county organization."

This year's Neighbor to Neighbor Drive will be held Sept. 16 through 18 and will have volunteer workers operating in all cities and townships within the county.

"Mrs. Romney and Mrs. Peterson will attend the kick-off meeting," Mrs. Pfister explained, "to inform all of our 300 finance workers of the importance of their efforts to the success of the local organization."

TWO BIRMINGHAM women, Mrs. Barney Bannon and Mrs. Eileen Turner, have been named co-chairmen of the Oakland County Neighbor to Neighbor Drive in the Third Legislative District.

Vern Fitch, COP director of the

district, made the appointments of the chairmen.

According to Fitch, the Neighbor to Neighbor Campaign is the Republican effort for broad base financial support. "Since the Republican Party is a citizen's party," he said, "We rely on individual contributions to provide operating expenses for the county organization. The Neighbor to Neighbor Campaign gives all area residents an opportunity to actively support their party."

THIS IS the second year that Mrs. Bannon, 720 Ardmore, has served the campaign as finance co-chairman. In addition to being a member of the Bloomfield Township Republican Club, she is a member of the Village Women's Club and is active in the Early Birds bowling league.

Mrs. Eileen Turner, 1810 Witherbee, a full-time dental assistant, is secretary of the Birmingham-Troy Republican Club and worked at Romney campaign headquarters and on the Citizens for the New Constitution.

Within the Third Legislative District, the following city and township, Neighbor to Neighbor Chairmen have been appointed: Bloomfield Hills, Mrs. Everett Mills, 4564 Cochrane; Birmingham, Mrs. James Cameron, 710 Saffold; Troy, Daniel Monley, 405 Square Lake Road; Avon, Robert J. Clark, Rochester; Commerce Township, Ed Morey, Commerce; and W. Bloomfield Township, John Cojean, 7411 N. Briarcliff Hill, Birmingham.

THE ORDINANCE also requires all bus drivers to satisfactorily pass a police record check, physical examination, bus driver education program and examination of traffic laws.

Copies of the ordinance are available at the office of the Birmingham city clerk for a small fee.

"Chief Moxley asked that any citizen having any questions regarding the ordinance call the police station and said the officer on duty will clarify any sections that appear to be confusing.

used for public transportation between suburban communities, therefore, do not qualify as school buses under the ordinance, he said. The buses used for transporting children to and from school are not considered school buses if they are painted a color other than chrome yellow.

Several small foreign-made buses are being used and they will not be considered as school buses since they have a rated seating capacity of less than 12 persons.

All of these buses are considered as public buses being used for transportation of children but are not classified as school buses under the ordinance and state law.

MARTIAN NAMESAKES red color, red being closely associated with battles and bloodshed. The month of March derives its name from the blustering old mythological character named Mars, the deity in charge of sabre-rattling on the ancient Roman scene. Mars has also made his mark on our vocabulary in such expressions as "martial music" and "martial law," and is represented in the solar system by the planet Mars.

Early star-gazers chose this particular planet to commemorate the god of war because of the planet's

It is believed now that the planet's ruddy color is probably caused by oxidation of iron on its surface. In other words, Mars has rusted.
