

# Civil Service Accepts Exam Applications

Applications are being accepted for the 1964 Federal Service Entrance Examination, the U. S. Civil Service Commission announced recently.

This examination, open to college seniors and graduates, regardless of major study, as well as to persons who have had equivalent experience, offers the opportunity to begin a career in the federal service in one of 60 occupational fields.

These positions are located in various federal agencies both in Washington, D. C., and throughout the United States. Depending on the qualifications of the candidates, starting salaries for persons appointed from this examination will be \$4,000 and \$5,785 a year.

will be scheduled for the first written test on Oct. 12. Six additional tests have been scheduled. The closing date is April 14, 1964.

**MANAGEMENT** internships with starting salaries of \$5,795 and \$7,030 a year will also be filled from this examination. An additional written test is required. Applicants for these positions must file by Jan. 16, 1964.

Details concerning the requirements, further information about the positions to be filled and instructions on how to apply are given in Civil Service Announcement No. 314.

The announcement may be obtained from many post offices throughout the country, college placement offices, Civil Service Regional Offices or from the U. S. Civil Service Commission, Washington, D. C., 20415.

Planning a Rotary-sponsored Career Day for Groves High School students on Nov. 18 are (from left) Clarence W. Kraft, committee chairman; M. M. Rosenberger, Birmingham Rotary Club secretary; Dr. Edwin W. Deer, committee member; Charles Lundy, Groves principal; Merle Smith, Seaholm counselor in charge of last year's school participation; and Ross E. Wagner, Seaholm principal and Rotary committee member. The group met Aug. 28 in the Seaholm library.

# Rotarians Prepare Career Day for Groves Students

The Birmingham Rotary Club's second annual Career Day, staged in cooperation with the Birmingham Public School System, will be held Nov. 18.

Robert A. Thom, club president, and Clarence Kraft, committee chairman, announced that it will be held for Groves students this year. Last year, it took place at Seaholm.

Thom explained that the project is one of counseling the students as to the qualifications, ramifications and rewards of various vocations.

ROTARIANS will arrange for consultants from the various fields to discuss the advantages, disadvantages, educational requirements and compensations of their occupations. They will be selected from the Birmingham area as well as from outlying areas.

Groves students soon will be given questionnaires to fill out to determine the types of careers in which they are interested.

BEFORE CAREER Day, there will be a general assembly with a keynote speaker to discuss some of the essentials in selecting a life's work.

Thom will announce the selection of the speaker and the date of this assembly at a later time.

On the morning of Career Day, classes will be suspended and the students will be given an opportunity to sit in on at least three different vocational discussions.

Last year, there were 60 different vocational categories; and the 1,670 participating Seaholm students each attended three different sessions. (Groves last year had 1,900 students in grades 7-12.)

MEMBERS OF THE Rotary committee planning this year's event besides Thom and Kraft are: M. M. Rosenberger, 2190 North

# Southfield Library Board Supports Millage Increase

SOUTHFIELD — On Tuesday voters will be asked to approve a charter amendment which would add two mills to the present seven-mill limit for library and parks and recreation operation expenses.

One and three-tenths mills of the increase would be allocated to parks and recreation and the remaining three-tenths to the library. Only city residents may vote in the election.

Following is a statement in support of the proposal by the Southfield Library Board:

THE SEPT. 10 election will determine whether Southfield will be able to provide adequate library service to its citizens.

Present tax support for the Library is three-tenths of a mill. Approval of the proposal Tuesday would increase this by seven-tenths of a mill, making a total of one mill.

The issue is an important one for all Southfield voters.

If you have children, its importance is obvious. A good library system, along with a good school system, is essential if our children are to have a fair chance to equip themselves for life in today's highly competitive world.

WITHOUT A GOOD library — without access to a broad and comprehensive choice of books and reference material — the chances of high academic achievement and good jobs are substantially reduced.

But even if you don't have children, and don't find much occasion to use the library personally, the matter is still of importance to you as a citizen and property owner.

# PEOPLE'S COLUMN TAE Member Explains Its Purpose, Projects

To the Editor:

The TAE Association wishes to provoke no feeling of agitation. We are willing to listen to constructive criticisms and present the truth about our good accomplishments.

This organization was formed in 1906. Our local chapter originated in Grosse Pointe, but in the last 35 years has shifted its headquarters to Birmingham. We have about 225 senior members in this immediate area now.

OUR ADULT members meet regularly every month, and meet weekly with our young, provincial members. There is no secrecy connected with any of these meetings.

Our primary purpose is to serve our community, and to foster friendship ties in our young provincial members by helping them work together for a common interest.

We have three projects: The Baptist Children's Home on 13 Mile Road, The Candy Stripe Volunteers in Pontiac General Hospital and the League for The Handicapped.

THIS WAY we promote an opportunity for students from five different local high schools to share their achievements. We have senior members and provisionals who represent different religious faiths.

We draw from vastly differing social and economic backgrounds. We demand no special academic achievements.

However, the record will prove our young girls rank extremely high in scholarship, class offices and school projects.

THE BIRMINGHAM Board of Education has inferred several untruths regarding TAE Association, without bothering to clarify the picture, although our legal counsel is well known to them. This we feel, is going to jeopardize our fund-raising projects, which in turn will be a community loss.

Members of TAE Association feel it unjust to degrade our good name and our heritage, which we have maintained for so many years.

We continue our volunteer work and to be allowed to sponsor the volunteer work of a few of our future citizens.

# St. Regis Parish Forms Scout Troop

By ELEANOR NELSEN  
Special Writer

The newly formed Boy Scout troop of St. Regis parish is to be known as Troop 1066.

Much of the ground work has been laid by William Busch, who has been active in scout work for many years and will be remembered for the work he has done with the troop of Holy Name Parish.

To kick off the season and formation of the new troop, there will be a meeting of the committee men next Thursday at 8 p.m. in the school hall at St. Regis.

Busch will act as chairman of the committee. Frank O'Neil will be Scout Master.

ASSISTING HIM will be Frank Kent and William Hanson.

Others holding offices are Hans Scheive, scribe and secretary; Tom Gracie, treasurer; Edward Nelson, publicity; and Dr. R. Caput, institutional representative.

The first meeting of all committees are Richard Mason, William Hoffman, John Bodette, A. T. Staeger and William Burt.

If any additional men in the parish are interested in working with the scouts, they are invited to attend this meeting.

The first meeting of the troop will be on Sept. 13 and will begin at 7:30 in the St. Regis school hall.

All boys in the area who would like to be members of Troop 1066 are asked to attend this meeting.

# Resident Heads Committee for Lakeville Swamp

Four area residents are members of the scientific committee studying the Lakeville Swamp, Lakeville, Mich.

They are Chairman Paul W. Thompson, 17503 Kirkshire, Birmingham, representing the national Nature Conservancy; Mrs. Robert Frelse, Ferndale, nature editor of The Birmingham Eccentric; Dr. Watson A. Gilpin, 1539 Lechridge, Bloomfield Hills, of the Detroit Audubon Society; and Walter Nickell, Cranbrook Institute of Science.

The first public day at Lakeville Swamp Nature Sanctuary will be held Sunday from 1:30 p.m. throughout the day. Sponsoring organizations will furnish guides for tours leaving hourly along the road and into the swamp. Participants may see fringed and bottle gentians other fall flowers and learn to identify trees and shrubs.

# Executive To Get 'Knight of Charity' Award in Detroit

Paul Zuckerman of Fairway Hills Drive, Franklin, president of Velox Food Products, has been named a 1963 recipient of the "Knight of Charity" award, to be presented at an inter-denominational Nov. 14 in Cobo Hall, Detroit.

He is one of three who will receive the award for deeds and excellent contributions to the field of "union in family life with person-to-person charity" by trustees of Maryglade College.

The college was founded at Memphis, Mich. in Oct. 1920, under the direction of PIME Missionaries of Sts. Peter and Paul.
