By ELINOR CUMMINGS

"We would love to go back," say the Roger Tyslans of Southgate Drive in reference to their recent trip through Northern Michigan.

Starting from Chicago, where they visited friends and relatives, Mr. and Mrs. Tyslan, with daughters, Gwen and Luanne, headed for Wolf River in Shawnee, Wis. Next stop on their trip was Lake of the Clouds in the Porcupine Mountains and on to Copper Harbor, Marquette and Tahquamenon Falls. The finale of the trip was a tour of the locks at Sault Ste. Marie and a buggy ride on Mackinac Island.

The Tyslans returned home on Aug. 24 to greet house guests, Mr. and Mrs. William Luke and their four children, from Adelpa, Md.

MR. AND MRS. DON HUNT of Pleasant Trail, he's Bwana Don, T.V. favorite of the triple set, returned recently from a Canadian vacation.

The Hunt's, with their four children, visited Mrs. Hunt's father, Michael McNulty, near Renfrew, Ont.

Next to their Canadian trip, Mr. and Mrs. Hunt spent several days in New York City, shopping and doing the town.

Mr. and Mrs. Walter Zetzy of Westbrook Parkway, will host the first fall meeting of their Latin dance club on Sept. 7. Lessons suspended during the summer months while their instructor visited South America.

Wakelands Return Home Following Western Trip

By ELEANOR NELSEN
 MI 7-0056

On Aug. 1, the John Wakeland family of Lahser Road began a three and one half week trip covering the western states.

The Wakelands had spent some time in Las Vegas during the war years, but it was the first trip West for their daughters, Joanne and Gretchen.

The girls were quite impressed by the sights. El Paso, Texas, and a short trip into Mexico at that point were things to remember.

Further west were the Grand Canyon and Boulder Dam. Disneyland was a must on their list of things to be seen in Los Angeles.

The NATIONAL Parks, Bryce, Yosemite and Sequoia National others were enjoyed. San Francisco with the city's unusual terrain, Fisherman's Wharf and Chinatown held their interest.

Their return trip took them through Salt Lake City.

Labor Day weekend found the Wakelands on the go again. This time they drove to Chicago to attend the wedding of Mrs. Wakeland's brother, Mr. Norman Nesheim.

After their return and a short breather, they will then pack again and drive their daughter, Joanne, to Northville, Minn., where she will begin her college days at Carleton.

The Germanns Depart For New Florida Home

By GLORIA JESSUP
 MA 6-3257

Everyone hates to see good neighbors depart, even if it is for the shores of Vero Beach, Fla. Missing will be the Allen Germanns, residents of Worlington Road for over 11 years.

Shortly before their departure, Mrs. Charles D. Weasler, 4234 Sandy Lane, gave a luncheon paper shower for Elizabeth Germann. Some 25 close friends attended to bid her "au revoir."

Houseguests of the Jack Bohners of Worlington Road for several days recently were Mrs. Bohner's niece, Mrs. Harry Little, and her children, Patty and Terry of Pittsburg, Penn., and her nephew, Dr. Robert Foy and his wife from Lansing.

A WEEK of sunbathing and swimming at a cottage in Wheatley, Ont., followed by other six days at the artist's colony, Saugatuck, Mich., spelled out a perfect vacation for the Michal Janet Minke and Colleen Sharaka of Bloomfield Hills.

Mrs. Ruth Pew, her sister, Mrs. Richard Garlick, and mother, Mrs. Ralph Watkins of Wing Lake Road, had a happy two weeks entertaining Mrs. Pew's sister and her husband, Mr. and Mrs. John Cross from Atlanta, Ga.

FEED - Help your lawn to recover from summer damage.

Heat, drought, vacation and young people home from school have left their marks. But September starts the best growing season of the year, so give your lawn the best diet you can: AGRICO GRASS FOOD.

SEED - Nature sows seeds in September—SO SHOULD YOU! After applying AGRICO GRASS FOOD seed the bare and thin areas. Use one of the following well designed mixtures:—

- FINE LAWN—Sunny
- GENERAL PURPOSE—Sun and light shade.
- SHADY LAWN—As the name implies.
- HIGH & DRY—Sandy soil—short on water.
- Use a straight seed to thicken or renovate an established lawn:—
- SUNNY—MERION BLUEGRASS
- KENTUCKY BLUEGRASS
- SHADY—CREEPING FESCUE
- POA TRIVIALIS

NOTE: Be sure to rake vigorously to remove the dead grass (thatch) from the areas to be seeded so that the seed may be imbedded in the soil.
