By GLORIA JESSUP

Christian Pol-Roger of Epernay, France, will arrive today or tomorrow for a few days visit at the home of the Thomas Hangstefer on Lone Pine Road.

Mr. and Mrs. Hangstefer will host a small cocktail party Sunday to introduce Pol-Roger to friends he was unable to meet when he was last here in July. Following his July visit he toured parts of the United States.

He will fly in from the West Coast and then leave Sept. 26 to return to France.

MRS. EARL WESTON was hostess for the September meeting of the Wing Lake-Shores branch, WNFCA. Following tea and dessert, the program was presented by a Japanese farm girl from the International Farm Youth Exchange, sponsored by the Women's National Farm and Garden Association.

She showed color slides of the farm country where she lives and performed two native dances. Thirty of the 34 active members were in attendance.

MRS. WESTON was again hostess Sept. 12 for the first meeting of the ministers of the radio and television department of the Detroit Council of Churches. Mrs. Weston served luncheon, and then Dr. Weston entertained the group in his studio with some radio broadcasting.

Help! Help! Help! also has gone out from Mrs. Donald Hubbard of Westwood Court for Brownie leaders for Conant School. Mrs. Hubbard reports that there are enough girls to form two Brownie troops, but only leaders for one.

THE FIRST Boy Scout meeting of Troop 1022 was held Sept. 10 at Conant School. Scoutmaster Russ Stanford conducted a discussion of the father-and-son canoe trip planned for Saturday and Sunday on Pine River.

This canoe trip will start at Hotville and be on all "white water."

SEVERAL AREA residents participated in the Antique Car Meet sponsored by the Museum and held at Greenfield Village last week end.

Members of the three antique car clubs from all over the country were invited for the two-day event.

A total of 360 cars was displayed at the meet.

Those from 1917 to 1925 were shown Saturday and those from 1926 to 1916 on Sunday.

Entering from this area were Mr. and Mrs. R. F. Youngblood of Van Ness Drive with their

1925 Marmon speedster. Mr. and Mrs. Leonard Nichols of Lone Pine Road with their 1911 Hupp mobile, and Mr. and Mrs. Frank Saylor, III of Van Ness Drive with their 1917 Stanley Steamer. All three couples are members of the Detroit Chapter of the Veteran Motor Car Club.

Mr. and Mrs. Nichols received a blue ribbon for their Huppobile, and Mr. and Mrs. Frank Saylor won a second place red ribbon for their Stanley Steamer.

THE SECOND annual picnic of the Delta of Bloomfield Association was held Saturday on the Bloomfield Hills Junior High School grounds. Chairman of this year's get-together were Mr. and Mrs. William McQueen.

Helping plan the activities were Mr. and Mrs. Vince Sandercock and Mr. and Mrs. Ian Beston.

There were races and a softball game, and the highlight of the day was the bike parade. "Miss Tulp Time," Barbara Reade, won first place for the girls. Scott Reid won first place in the boys' competition with his bike decorated like a horse. Barbara's sister, Janet Reade, won second.

IN THE tricycle class the two Wilkening children rode off with the honors, Jan taking first in girls and Bill taking first in the boys.

The four children of the William Kelly family of Echo Road formed the "Kelly Brothers Barium and Bailey Circus" by joining their four bicycles and won

second prize in the boys' bicycle competition. Two hundred residents turned out for the event. Refreshments were provided by volunteers who manned four grills, turning out hot dogs and hamburgers.

Cable From Sidney Brings News of New Granddaughter

Those wide grins currently being worn by Mr. and Mrs. Webster Scheifele of Westheger Way are a result of a cable from Sidney, Australia, announcing the arrival of granddaughter Wendy Sagre Scheifele.

Wendy's parents are Mr. and Mrs. Stuart Scheifele (Elizabeth Schomm), her maternal grandparents the Milton J. Schemms of Grosse Pointe.

Stuart and Elizabeth (he's a CPA with Arthur Anderson and Co.) have been living in St. Ives, a suburb of Sidney, since last June.

They're hoping for visitors from the States sometime this winter and Stuart's parents just may manage it, although at this point they're packing for their annual trek to Tucson, Ariz.
