

Before trying any other method of cleaning your felt hat, see if a rub with a clean piece of terry towel won't do the trick. Humidity is the main cause of muzzing of

clothes, so give your suit a good shake when you take it off—before putting it on a hanger. This will readjust the fibers and lessen wrinkles.

Well-Suited for Trip

Fashionable is the word for this new interpretation of the traditional natural-shoulder suit in a brighter blue shark-skin. The new ideas include body shaping through the waist and chest, a deeper flare to the jacket skirt and broader lapels. With it he wears a button-down-shirt, blue and red striped silk twill tie and a coordinated silk pocket square.
