**New Science Wing,  
Library at Barnum**

When the doors opened at Barnum Junior High School for the 1964 school year, students found many changes in its faculty and facilities.

The new science wing welcomed its students to laboratories shining with the latest equipment.

Of special interest to students was the new counseling center. These offices have been expanded to two conference rooms, two of offices and storage space for records.

Anyone wishing to contact the Counseling Center may call extension 225, MI 4-9300.

Also opening in Barnum is adding the new addition to the school's library, gained by removing a wall between the library and a former English room. When asked her views on the addition, Mrs. Sharon, librarian, stated that when the shelves are completed, this will be one of the nicest libraries in the area.

Mrs. Black who heads the athletic department for girls announced that plans have been made for a girls' athletic club. The B-H activities for the year include such favorites as competitive swimming, basketball, and volleyball. In addition, a variety of new sports will be offered.

**STUDENT COUNCIL** opened the year by calling together representatives elected from honor rooms during a special period, Monday, Sept. 15th. The president, Jay McAuliffe, called the meeting to order. During the course of the meeting Sally Hutchins was elected sergeant-at-arms. Plans for the seventh grade "get acquainted" party were also discussed. The party was held Friday from 5:30 p.m. to 4 p.m. It was a great success.

On Tuesday, Miss Jane Ward, student council sponsor, accompanied seven representatives from the student government to the annual Citizenship Convention in Ann Arbor. Attending were Jay McAuliffe, president; Bill Canning, vice president; Jynn Jehle, secretary; Bob Handley, treasurer; John Cameron, safety commissioner; Peggy Christiansen; president of the Presidents' Club and Trevor Hall, Presidents' Club representative.

Ray Collins, gridiron reporter, states that 48 boys reported to coach Stoll at Pierce Field, each endeavoring to win a place on the freshman football squad. After a rugged two weeks of calisthenics and preliminary scrimmages, the squad was cut to 31 members.

The season will open at Pierce Field tomorrow when our team will play Southfield Birney. The team is displaying hustle, drive and spirit. Spirit is high in the student body too, and everyone concerned is confident that victory on opening day will pave the way to a successful season.

On Saturday, a group of girls watched the Detroit Team play the German Team at Kingswood School.

During the past week, the Mid-

The girls of the High School assisted the mothers and Alumnae at the fashion show on Wednesday. The juniors and seniors helped during the evening performance.

ON SEPT. 21, the Catholic Action group from the school met with Father Henley, S.J. Some of the girls have been teaching at the Oakland County Children's home during the summer months.
