City OK's Added Building Costs For New Sidewalks

Two deficiencies, one of which exceeded the cost of the entire sidewalk project, were found in the project's final budget. The deficiencies will be addressed in the upcoming months.

City of Beverly Hills, Michigan

The city has approved the addition of $50,000 to the budget for the new sidewalk project. The additional funds will be used to cover unexpected expenses.

"The deficiencies were minor, but they are important to ensure the project's success," said Mayor John F. Carrington.

The new sidewalk is scheduled to be completed by the end of the year.
