GDP Finance Chiefs Named

Charles L. Lilly, Oakwood Cmty. Bank, is the new supervisor of the division of the Finance Department that handles the federal loan program. Lilly is the latest in a series of key appointments in the Finance Department that have been made since the beginning of the year:

1. Supervisory Assistant to the Treasurer
2. Assistant Supervisor of the Investment Division
3. Assistant Supervisor of the Loan Division
4. Assistant Supervisor of the Credit Division
5. Assistant Supervisor of the Commercial Loan Division
6. Assistant Supervisor of the Mortgage Division

These appointments have been made in order to bring the Finance Department up to full capacity in handling the growing volume of business.

Lilly, a former accountant, joined the Oakwood Cmty. Bank in 1950 and has been in the Finance Department ever since. He was promoted to the position of Supervisory Assistant to the Treasurer in January of this year.

"This is an exciting time for the Finance Department," said Lilly. "We have a great opportunity to make a real contribution to the community by providing sound financial advice and loans to individuals and businesses."
