PROGRESS REPORT

The figures below reflect
the progress of Manufacturers Bank in 1963. Here is evidence of the forward
strides made by the 20 Metropolitan Detroit communities of which this Bank is
an integral part, and an indication of the expanding activities of the Bank in
Michigan, the nation and abroad.

Deposits increased; coming from a broad cross-section of large and small asinesses – from individuals in all walks of life.

And, through loans and investments, these dollars were put to work. helping business and industry produce vital goods and services. ... creat jobs . . . financing housing and consumer goods . . . contributing to growth and strength of the economy.
