Clines Return from Trip to Florida

By ELI BLAUMAN
MI 7-1465

Tanned and relaxed after nearly three weeks under the Florida sun are Mr. and Mrs. Marvin D. Cline and nine-year-old Bobby of Stellamar Drive.

Living the Christmas day for the Coral Ridge Towers in Fort Lauderdale, the Clines packed their warm weather gear in anticipation of higher temperatures and weren't disappointed. They spent a good share of their time in the water, but also enjoyed the restaurants and made time for a local showboat cruise.

Bobby fished in nearby canals and can tell his buddies at Valley Woods school about the ones that didn't get away.

Laura, a freshman at Western Michigan, was able to spend a week in the sun before returning to classes, but the other Clines just returned last week end.

ALSO BACK home after enjoying warmer weather, this time below the border, is Mrs. Harold Vots of Vernon Drive. She left for Mexico City in November to visit daughter Barbara, who now makes her home there as Mrs. Hector Caso.

Mr. Vots and another daughter, Nancy, joined Mrs. Vots and the Casos before the holidays and the whole group, including 21-month-old Jaime Caso, made a trip to Acapulco.

The Vots family returned on Jan. 6.

THE TELEVISED football bowl games on New Year's Day influenced Nina and George Coughenour of Buckingham Road to postpone their annual dinner for family and friends until Sunday, Jan. 5. But since nearly all of the 29 guests are avid football fans,

MISS CONNELLY

Engaged

Mr. and Mrs. John C. Connelly of North Elmford, New York, have announced the engagement of their daughter, Carol, to Noel E. Kurth, son of Mr. and Mrs. Edward L. Kurth, 287 Larches, Birmingham.

Miss Connelly was graduated from the college of home economics at Syracuse University, New York, and has also done graduate work in extension education at Michigan State University. At Syracuse, she was a member of Alpha Chi Omega sorority, and Omicron Nu and Phi Kappa Phi honoraries.

Mr. Kurth is a graduate of Michigan College of Mining and Technology at Houghton and received his Master's degree in business administration from Michigan State University. He is currently employed as a market analyst for a Dearborn automotive company. A spring wedding is planned.

Sunday found many of them grouped about their host's TV set anyway.

Nina, a devotee of the sport for years, was the most understanding and organized a canasta game for the ladies so that the men could root for their favorite team with a clear conscience.

Sunday also happened to be the birthday of their niece, Nancy Coughenour of Bloomfield Hills, who was showered with many nonsensical gifts such as unwanted Christmas presents and joke items, much to her surprise and delight.

MEMBERS OF THE Greenfield-Beverly Hills Improvement Association are having their skates sharpened in readiness for an event planned by the group. A family night ice skating party, at no charge if you please, will take place from 6 to 8 p.m. on Sunday, Jan. 26, at the Eton Park rink which has been reserved for the occasion.

An evening of bridge followed by dessert was enjoyed last Tuesday at the Beverly Road home of Mrs. Floyd Reynolds by Mrs. Donald McConkie, Mrs. Kenneth Fletcher, Mrs. Ed Eckel, Mrs. James Kelly, Mrs. Jack Clemens, Mrs. Colvin Pearl, and Mrs. Thomas McConkie.

The women meet regularly to play their favorite card game and the group has remained nearly intact for several years.

THERE'S A new baby at the Roger L. Clancey home on Sheridan Drive and they've named him Daniel Louis. Born on Sunday,

Jan. 5 at Providence Hospital, he joined Marilyn, 7, John, 6, and Barbara Jean, 3, at home last week.

The Beverly Hills Garden Club met last Thursday evening at the home of Mrs. Robert McKee where members heard Mrs. W. A. Gilman of Dearborn speak about decorating with seashells. A collector for years, Mrs. Gilman brought many of her shells for the group to see.

Dessert and coffee were served by Mrs. McKee and cohostesses Mrs. Everett Humphris and Mrs. Edwin Meinzinger.

FRIENDS OF Mrs. Harry Kirk will have an opportunity to see her model new spring fashions at the Community House on Wednesday, Jan. 23. Lee is a new member of the Business and Professional Women's Club, which is sponsoring the show.

Rodger Melke, who has just returned to Fort Polk, La. after spending two weeks with his parents, Mr. and Mrs. Otto Melke of Beverly Road, was recently promoted to the rank of specialist fourth class.

Mr. and Mrs. Donald Conrad are entertaining Mrs. Conrad's sister and brother-in-law, the Eldon Leishchers of Cincinnati, O., this week.

Mrs. Leishcher accompanied Mrs. Conrad to her Quarters meeting on Wednesday at the home of Mrs. Kenneth Brown, where they listened to a discussion about early American lighting.

The bride-elect is a graduate of St. Mary-of-the-Woods College in Indiana. Her fiance attended the University of Notre Dame.

No wedding date has been set.

Birmingham's Junior Leaguers met yesterday at The Community House, exchanged news and ideas over coffee, and heard Director Bob Bogan speak on the future and facilities of this meeting place.

February group meetings will be held at the homes of individual League members; it was announced.
