

50¢

... Just to clean your windshield?
You'd probably start going to another service station.
Why pay 50¢ extra for something when you don't have to?
The same goes for an auto loan.
Birmingham-Bloomfield Bank charges only \$4.50 per \$100.
That's 50¢ per \$100 less than most auto loans
or 10 per cent savings.
Come in and see us before you buy your next car.
That way you'll have the money available to you when you shop
and you'll save extra finance charges, too.
We're right in the heart of downtown Birmingham,
Corner of Martin and Bates,
but if you want more information in a hurry, call us at MI 7-2500
