Volunteers Honor Local Tribute Fund

Former members of the Tribune Fund of the United States were honored last spring by the Tribune Fund of the United States. This group, which was established in 1930, raised funds for the support of the United States, and its members were invited to the Dedication ceremony. The fund has raised over $1 million for charitable causes.

Among those honored were Mrs. E. W. Allen, Mrs. E. W. Allen Griffith, Mrs. C. L. Cates, and Mrs. C. L. Cates Griffith, who were awarded gold medals for their contributions. Other awards were given to those who contributed over $100 to the fund.

The Dedication of the Fund was held on May 10, 1990, at the Tribune Fund of the United States.

4 Acres for Library

John Runyan, president of the Bloomfield Township Library, announced that the town has acquired four acres of land for a new library. The land, located on Bloomfield Road, was given by Mr. and Mrs. Leslie Greer, 25000 Water Lake Road. The Greens have been residents of the township for 50 years. To date, no milling has been planned to provide funds for the construction of a library.

This & That

(Continued From 3-A)

The Bureau of Labor Statistics has released new recommendations for the reporting of non-wage income. The recommendations, which are expected to increase the amount of data available, will be presented at a meeting of the American Statistical Association.
