Anniversary Marked

More than 500 St. Joseph Mercy Hospital Boosters dined and danced Saturday evening at Fair Lane Country Club in celebration of their fifth anniversary. The party had been originally planned for June 15 but postponed due to the death of President Kennedy.

Mrs. Anna Petrakos of Bloomfield Township, founder and permanent honorary chairman, gave a speech preceding the formal hour, during which there were 164 chairman, Dr. James R. Henderson, and the other officers of the Board of Directors. The party had been accomplished under the chairmanship of Mrs. John S. Maloney, presiding officer of St. Joseph’s Women’s Auxiliary, and Mrs. Maloney of Birmingham, whose husband James M. Haasen, chairman of the American Red Cross Gray Ladies, and Mr. Haasen of Bloomfield Township, and Bernard R. Tresnowski, assistant administrator of St. Joseph’s Mercy and Mrs. Tresnowski of Pontiac, represented the combined forces who make up the Boosters, in addition to the entire medical staff.

Among civic leaders who have been consistently loyal supporters were Justice and Mrs. Albert C. Carr of Bloomfield Township; Prosecuting Attorney George F. Taylor of Birmingham; Mrs. Mary Simmon Pontiac and attorneys Robert H. Sofer and Bernard R. Tresnowski. Also present were James Leonard Butcher, and Leonard Kehl, of Bloomfield Township.

Looking Back

Organized in 1959 by Mrs. Petrakos to provide for out-of-pocket needs of the hospital, the Boosters, through proceeds from dinner dances and theater parties, have successfully provided funds of approximately $350,000 for re-decorating the emergency room, the gynecology and obstetrics areas, the second and third floors and equipping the recovery room.

Past chairman for the various dinner and theater parties were Mrs. Petrakos, Mrs. Taylor, Dr. Edward McPherson, Dr. E. J. Nagel, Dr. Tom Foxwold, Dr. Ray Galen, Dr. E. B. Garrett, Dr. Gordon and Dr. Henderson.

This year’s costume theme, under which the Boosters are looking forward to further support for this important Oakland County community facility, consists of painted suits of medieval times from which come all the groups under the slogan, “Anyone can be a Booster!”
