Pontiac Offers 10 Models for '64

The 1964 Pontiacs, which will be on display at the Automobile Show, combine rich styling also, and without any significant change in exterior dimensions, retain a strong and impressive Pontiac identity.

One of the Pontiacs

The 1964 Pontiac Catalina "2 plus 2" sport coupe is completely restyled while retaining a strong Pontiac identity. The Catalina convertible is also available with Pontiac's new appearance option "2 plus 2," which includes bucket seats, all vinyl trim, floor console, premium fuel, two-barrel engine, and wood inlays on steering wheel spokes and instrument panel.

Mercury

(Continued from Page 2)

U. S. car line offers a V-8 engine for the first time in its new model, a body which has its widest point in the passenger area. For maximum seat width, and two-piece doors with stainless steel window frames in the sedan coupe model which became the forerunner of modern hardtop styling.

In addition to new styling, colors and interiors, the 1964 Pontiac features a wide range of high-performance V-8 engines, improved suspension system and a complete group of accessories for added safety and comfort. The other Catalina models are two and four-door sedans, a four-door hardtop and six and nine-passenger station wagons.

The 1964 Mercury Monterey is a 190 cubic inch 8-cylinder, with a floor shift three-speed manual transmission. Wheelbase was 116 inches, over-all length, 202.8 inches, and width, 69 inches. In size, the 1964 Mercury was comparable to the 1964 Chrysler
